

Dr. Frank Umbach

August 2021

Research Director of the European Centre for Energy and Resource Security (EUCERS)/CASSIS, University of Bonn, Adjunct Senior Fellow at RSIS, Singapore & Visiting Professor at College of Europe, Natolin/Warsaw
Office: +49-(0)2645/97.67.04
Mobile: +49-(0)173/934.91.89
E-Mail: FraUmbach@AOL.COM

Lectures, Speeches and Interviews **at German and International Conferences *and* Seminars** ***since 2007:***

2021:

14 July 2021: PPT-Presentation "Environmental Governance and Policies for Achieving Sustainable Development Goals: Global Energy Megatrends and the Impacts of the Global Pandemic" at the international 3-day conference: "Governance and Policy Reforms: An Indo-Pacific Perspective", organized by Faculty of Liberal Arts and Humanities, Jagran Lakecity University in collaboration with KAS-India Office, July 12-14, 2021.

9 July 2021: Panel-Discussion "Gemeinsame Zukunft der Tagebauggebiete im Dreiländereck PL-CZ-DE: Wirtschaft, Gesellschaft, Umwelt" („Common Future of the Opencast Mining Areas of the Tri-Border Region Poland-Czech Republic-Germany: Economics, Society, Environment"), organized by PGE Polska Grupa Energetyczna, Bogatynia (Poland).

2 June 2021: PPT-Presentation "Enhancing Energy Security in the Context of Covid-19" at the Second Meeting of the Asia-Pacific Network of Energy Think Tanks (APNETTI), Bangkok.

1 June 2021: Online-Panel-Discussion at "Industry Leaders Panel: *Securing energy security for critical infrastructure*", Middle East Energy Utilities exhibition 2021, organised by the Informa Group (Informa Markets), Dubai (www.informamarkets.com).

31 May 2021: Introductory Presentation and Discussions with students on "Rolle der deutsch-russischen Energiebeziehungen hinsichtlich einer Diversifizierung der Energieversorgung Europas ("The Role of the German-Russian Energy Relations in regard to a Diversification of Europe's Energy Supply") for the interactive Polis180 Workshop: "Entwicklungen zu einer emissionsarmen Gesellschaft und die Auswirkungen auf die deutsche Energieabhängigkeit" ("Developments of a Emissions-poor Society and the Impacts on the German Energy Dependency"), Polis180 (<https://www.policykitchen.com/group/klima-bundestagswahl-2021/stream>).

14 April 2021: Radio-Interview for Deutschlandfunk to the Future of the Energy Carter Treaty, Its Reforms and a potential withdrawal of the EU from the Treaty (<https://www.deutschlandfunk.de/hintergrund.723.de.html>).

31 March: Radio-Interview to the 30th anniversary of the dissolution of the Warsaw Pact, based on my book and dissertation as the standard text of 2005, and the security implications for NATO, Russia and international security.

30 March 2021: Radio-Interview for WDR 2 (short version), WDR 3 (long version), WDR 5 (long version) und SR 2 (long version) to the evolution and the demise of the Warsaw Pact, based on my book (and dissertation) as the standard work of 2005

(<https://www1.wdr.de/radio/wdr5/sendungen/zeitzeichen/pakt-100.html> and <https://www1.wdr.de/stichtag/stichtag-aufloesung-warschauer-pakt-102.html>).

19 May 2021: PPT-Presentation „Veränderungen auf den internationalen Gasmärkten: Nord Stream-2 und strategische Perspektiven beim LNG“ („Changes on the International Gas Markets: Nord Stream-2 and the Strategic Perspectives for LNG“) at the 17. Baden-Badener Energiegespräche: Energiemärkte und Klimaschutz mit Corona.

18 May 2021: PPT-Presentation “The European Green Deal of the EU, its Energy Dimensions and the Prospects for EU-Kazakhstan Cooperation” at the L.N. Gumilyov Eurasian National University, International Seminar: “Impact of Global Changes on the Development of World and Regional Energy in 2021. View from Kazakhstan”, Astana.

22 April 2021: PPT-Presentation „Globale Herausforderungen der Rohstoffversorgungssicherheit – Folgen für Deutschland und EU“ („Global Challenges of Raw Material Supply Security – Consequences for Germany and the EU“) at the Bundesarbeitsgruppe Rohstoffpolitik of the Wirtschaftsrat der CDU e.V., Berlin.

15 April 2021: Presentation on Turkey’s Energy (Foreign) Policy in the Mediterranean Region

20 January 2021: PPT-Präsentation “Die Nord Stream-2 Gaspipeline: Die Genese eines Konfliktes (Mythen, Desinformation und Fakten)“ („The Nord Stream-2 Gas Pipeline: The Genesis of a Conflict (Myths, Desinformation and Facts“), Wirtschaftsrat der CDU e.V. – Mecklenburg-Vorpommern (<https://webui.wirtschaftsrat.de/wirtschaftsrat.nsf/id/E10ACE69CFBB8436C1258668005338E4>).

2020:

15 December 2020: PPT-Presentation: “Energy Security Challenges to NATO’s East and the Global Dimensions” at the NATO Virtual Roundtable on Energy Security”, Brussels.

11-12 December 2020: PPT-Presentations at my student webinar “Die gemeinsame Energie- und Klimapolitik der EU und die energieaußenpolitischen Dimensionen im globalen Kontext“ (“The Common Energy and Climate Policies of the EU and its Energy Foreign Policy Dimensions in a Global Context”) at the University of Bonn during the winter semester 2020/2021.

26 November 2020: Webinar-interview for online discussion “Energy Inside” on “How COVID-19 is Reshaping the Gas Industry” on behalf of Naftogaz as well as the Ukrainian Industry Association and the Federation of Employers of the Oil and Gas Industry.

23 November 2020: PPT-Presentation „Von Green Deal bis Nord Stream 2 – Herausforderungen für die europäische Energie(sicherheits)politik“ („From Green Deal up to Nord Stream 2 – Challenges for the European Energy (security) policy“ at the webinar “Verwundbarkeit durch Abhängigkeit? - Deutsche und Europäische Energiesicherheit“ („Vulnerability by Dependence? – German and European Energy Security“), Bundesverband Sicherheitspolitik an Hochschulen (BSH) (Academic Association for Security Studies), Germany.

23 November 2020: 2 PPT-Presentations “Global Energy Developments” and “Regional Energy Developments” at the annual conference/webinar “NATO-Kuwait Critical Energy Infrastructure Protection and Resilience Course”.

18 November 2020: PPT-Presentation “Europe’s New Green Deal’s Energy Aspects: Cooperation, Synergies and Opportunities for India” at the TERI-KAS Diginar: “Climate Change and Sustainable Development in India’s Energy Security”, New Delhi, 18-19 November 2019.

6 November 2020: Introduction session of my student webinar “Die gemeinsame Energie- und Klimapolitik der EU und die energieaußenpolitischen Dimensionen im globalen Kontext“ (“The Common Energy and Climate Policies of the EU and its Energy Foreign Policy Dimensions in a Global Context”) at the University of Bonn during the winter semester 2020/2021.

14 October 2020: Panel Discussant on the international “The Hydrogen Economy: Prospects for a German-Australian Collaboration”, KAS-Australia Energy Policy Dialogue 2020 in Cooperation with ANU Centre for Climate and Energy Policy, German-Australian Chamber of Industry and Commerce, EUCERS and the Energy Transition Hub, Canberra.

7 October 2020: PPT-Presentation on “Veränderungen auf den internationalen Gasmärkten und Perspektiven für Wasserstoff” (“Changes on the International Gas Markets and Perspectives for Hydrogen”) at the German webinar “Perspektiven für Gas und H2 in Europa. Der Green Deal und seine Bedeutung für Gas Webinar-Interview und H2 in Europa” (“Perspectives for Gas and H2 in Europe. The Green Deal and its Importance for Gas and H2 in Europe”), organised by DVGW, Bonn (<https://www.youtube.com/playlist?list=PLUq1WPgKxcan8yf9Qhid3abCEGUyjK2kq>)

7 October 2020: Moderator at the German webinar “Perspektiven für Gas und H2 in Europa. Der Green Deal und seine Bedeutung für Gas und H2 in Europa” (“Perspectives for Gas and H2 in Europe. The Green Deal and its Importance for Gas and H2 in Europe”), organised by DVGW, Bonn.

27 August 2020: Webinar and Roundtable Discussion on „The Future of Energy“, organised by RUSI, London.

14 August 2020: Skype-Interview for Indus News (Pakistan) on “Nord Stream 2 and the US Threat of Sanctions” (https://youtu.be/fiz_hgJcRC8).

28 July 2020: Brief Presentation on “The European Hydrogen Strategy” at the webinar: “Hydrogen Strategies in Australia and Germany”. KAS-Australia Energy Policy Dialogue 2020 in Cooperation with the Energy Transition Hub.

28 July 2020: Interview in: Christian Schaudwet, “Globaler Wasserstoffwettbewerb zeichnet sich ab“, Tagesspiegel 2020 (<https://background.tagesspiegel.de/energie-klima/globaler-wasserstoffwettbewerb-zeichnet-sich-ab>).

19 July 2020: Interview in: “Öl unter 40\$. Ein Experte, warum die OPEC+ die Preise halten muss“. Deutsche Welle (in Russian), <https://p.dw.com/p/3fVhB> or <https://www.dw.com/ru/нефть-ниже-40-долларов-эксперт-о-том-почему-опек-нужно-удерживать-цены/a-54222297>.

10-11 July 2020: Final Sessions (online) with PPT-presentations of my block seminar “The Geopolitics of Energy” for students at the University of Bonn, Germany.

07 July 2020: Participation at the Expert Webinar: “Private Virtual Roundtable: Hybrid Energy Warfare and NATO”, organized by the Atlantic Council, Washington D.C.

30 June 2020: Participation at the Webinar and Digital Conversation: “Never Waste A Crisis – An Update on European Energy Security”, Munich Security Conference (MSC), Munich.

17 June 2020: Moderator of the Webinar: “EU Energy Security Challenges” as part of the Web-conference “Shining a Light on Energy – 10 Years of the Lisbon Treaty”, Natolin Climate and Energy Society, College of Europe, Natolin (Warsaw).

29-30 May 2020: My Block Seminar Sessions (online) with PPT-presentations “The Geopolitics of Energy” for students at the University of Bonn, Germany.

21 May 2020: Moderator and Commentator at the Webinar „The Decline of Energy Prices: USA, Russia, and the Global Perspective“, Hanns-Seidel-Foundation (HSS), Washington D.C. with Randolph Bell (Director and Richard Morningstar Chair for Global Energy Security at the Atlantic Council/ACUS) and Vladimir Milov, former Deputy Energy Minister of the Russian Federation); Youtube-record video – <https://youtu.be/0sJabp1CSOQ>

24 April 2020: Introduction Session (online) with a PPT-presentation of my first student seminar “The Geopolitics of Energy” at the University of Bonn, Germany.

13-14 January 2020: PPT-Presentations: "Seminar: "The EU, International Energy Security and Security Cooperation in Asia-Pacific", student-seminar, College of Europe, Natolin/Warsaw.

2019

17 December 2019: PPT-Presentation "The Security Implications of Russia-Ukraine Gas Developments" at the annual NATO Roundtable on Energy Security, Brussels.

4 December 2019: PPT-Presentation „Globaler Wettbewerb um Energieinfrastrukturen – China und die Seidenstraßen-Initiative“ („Global Competition of Energy Infrastructures – China and the Silk-Road Initiative“), Hanns-Seidel-Foundation, Munich (see also the summary report of our discussion - <https://www.hss.de/themen/energie-und-klima/artikel-detail-energie-klima/globaler-wettbewerb-um-energieinfrastrukturen-news5652/>).

28 November 2019: PPT-Presentation „Sicherheit der europäischen Energieversorgung – Die politische und wirtschaftliche Bedeutung einer Partnerschaft mit dem Mittleren Osten und Ostasien“ („Security of the European Energy Supply – The Political and Economic Importance of the Partnership with the Middle East and East Asia“), organized by the Konrad-Adenauer Stiftung (KAS) in Cooperation with dem Luftgeschwader 62 of the German Bundeswehr, Wunstorf.

22 November 2019: "Dependence on Critical Materials in an Era of Global Material-Intensive Technology Developments" at the Vaduz Roundtable X event "Economic Power and Security: The American Global Conduct in a Hobbesian World: How can Europe Remain an Indispensable Partner for the United States?", Vaduz (Liechtenstein), 22-24 November 2019.

18 November 2019: Dinner-Speech "Strengthening a Fair and Secure Access to Raw Material Value Chains in Europe" at the EUMICON-Dinner debate "MadeInEurope – A Common Vision for the Next 5 Years?" in the European Parliament, organized by the European Mineral Resources Confederation (EUMICON), Brussels.

7 November 2019: Introduction and Moderator of the event „Energy, Climate, Trump: Past Experiences and Future Lessons“ with two former US-Congress members on the invitation of the Center for Advanced Security, Strategic and Integration Studies (CASSIS), University of Bonn and the Konrad Adenauer Foundation, Bonn.

9 October 2019: Roundtable discussion contribution to "The New Zealand-German Energy Trilemma dialogues. Balancing Energy Security, Affordability and Environmental Sustainability", organized by KAS Australia in Cooperation with the NZ Institute of International Affairs (NZIIA), the NZ Energy Efficiency and Conservation Authority (EECA) and the NZ Business Energy Council, Wellington, New Zealand.

7 October 2019: Roundtable Discussion Comments to "Renewable Energy and Energy Efficiency", organized by KAS-Australia in Cooperation with the German New Zealand Chamber of Commerce (GNZCC), Auckland, New Zealand.

2 October 2019: full-day cyber security training seminar with PPT-presentations to "The Security Union: Cybersecurity", European Institute of Public Administration (EIPA) – European Parliament, Luxembourg.

26 September 2019: „Deutsche und internationale Klimaschutzpolitik am Scheideweg – Provinzialistische Klimahysterie versus Herausforderungen einer effizienten Klimaschutzpolitik“ („German and international Climate Policies at Crossroads – Provincial Climate Hysteria versus Challenges of an Efficient Climate Protection Policy“), Gesellschaft für Sicherheitspolitik e.V. (GSP), Rheine, 26 September 2019.

24 September 2019: "Geopolitics of Energy", Energy Security Strategic Awareness Course, NATO-School Oberammergau/Germany.

24 September 2019: "Global and Regional Energy Developments", Energy Security Strategic Awareness Course, NATO-School Oberammergau/Germany.

17 September 2019: Interview (podcast) for Hessischer Rundfunk 2-Der Tag (HR2-Der Tag) to the escalation at the Persian Gulf after the Iranian air attacks on critical oil infrastructures of Saudi Arabia and the implications for the world oil supply security and the EU energy foreign policies: <https://www.hr2.de/podcasts/der-tag/schnell-noch-tanken-eskalation-am-golf,podcast-episode-57532.html>, Frankfurt/Germany.

10 September 2019: podcast interview for Schweizer Rundfunk (SRF), „Polen gewinnt vor EU-Gericht im Streit über Opal-Gasleitung“ („Poland Wins at EU-Court in Conflict about the OPAL-Gas Pipeline“) <https://www.srf.ch/sendungen/echo-der-zeit/von-der-leyen-praesentiert-die-neue-eu-kommission>, and, <https://www.srf.ch/play/radio/popupaudioplayer?id=3aa853ee-78a7-4abe-a7b0-df54f86bc68b&startTime=294.296>, Switzerland Radio Broadcasting.

20 June 2019: PPT-Presentation “Digitization, Energy, Security and New Silk Road” at the Conference ‘Europe and Kazakhstan – Strategies for BRI and Digitization’ organized by the Konrad-Adenauer-Foundation (KAS) in Kazakhstan

29 May 2019: Participation at the Scenario-Expert Workshop “Nord Stream 2 – Coping with the Impacts”, Konrad-Adenauer-Foundation (KAS).

22 May 2019: PPT-Presentation “Energy Security in a Digitalized World and its Geostrategic Implications”, presented at European Political Strategy Centre (EPSC)/European Commission Brussels.

17 May 2019: PPT-Presentation “Globale Energiepolitik – Energiewende in der Kritik“ („Global Energy Policies – Energiewende/Energy Transition in the Criticism“), Viessmann-KAS-Seminar, Allendorf/Germany.

14 May 2019: full-day training seminar with PPT-Presentations to “The Security Union: Cybersecurity”, European Institute of Public Administration (EIPA) – European Parliament, Luxembourg, 14 May 2019.

15 April 2019: PPT-Presentation “Energy Efficiency and the Electricity Sector” presented at the UNIDO Workshop ‘Towards Sustainable and Greener Pakistan – Promoting Energy Efficiency and Conservation for Future’, UN Industrial Development Organization (UNIDO), Islamabad.

3-5 April 2019: teaching my annual student block-seminar on “EU Energy (Foreign) Policies at the EU-College at Natolin/Warsaw (Poland).

28 March 2019: Panel-Participant at: “Towards Energy (In-)Security: Pragmatic Energy Policy and the Politicization of Energy in the Eastern Partnership” at the Colle of Europe-International Conference “The Eastern Partnership 10 Years after the Prague Summit: In Search of New Momentum – 10 Years of Eastern Partnership”, College of Europe, Natolin.

27-29 March 2019: teaching my annual student block-seminar on “EU Energy (Foreign) Policies at the EU-College at Natolin/Warsaw (Poland).

11 March 2019: PPT-Presentation: “Regional Energy Security Developments and Challenges” at the joint NATO-Kuwait “Critical Energy Infrastructure Protection & Resilience Course”, NATO-ICI Regional Centre, Kuwait.

11 March 2019: PPT-Presentation: “Global Energy Security Developments” at the joint NATO-Kuwait “Critical Energy Infrastructure Protection & Resilience Course”, NATO-ICI Regional Centre, Kuwait.

18 February 2019: PPT-Presentation and Keynote speech “Energy Security in a Digitalised World and its Geostrategic Implications” at the international workshop “Digitalization of Energy Systems: Experiences from Europe and Asia”, Konrad-Adenauer- Foundation (KAS), European Office, Brussels.

14-16 January 2018: teaching for the third consecutive year a student block-seminar on “EU Energy (Foreign) Policies at the EU-College at Natolin/Warsaw (Poland).

2018

13 December 2018: PPT-Presentation "Energy Challenges in NATO's South" at the annual "NATO Roundtable on Energy Security", Brussels, 13 December 2018.

6 December 2018: PPT-Presentation "Die Energiesicherheit Europas – neue Herausforderungen und strategische Entwicklungen" ("Energy Security of Europe – New Challenges and Strategic Developments"), 32. Sicherheitspolitische und Wehrtechnische Tagung („Security Policy and Arms Technology Conference“), organised by the Mittler-Report Fachverlag (Publishing Company), Bonn.

3 December 2018: Panelist at „The Water-Energy Nexus in Central Asia. Climate Change and Security Risks“, EUCERS/KAS Energy Talks 2018, King's College, London.

20 November 2018: Panelist/Participant at „Welche Bedeutung wird Gas in den kommenden Jahrzehnten in Europa im Nexus von Energie - rsp. globaler Energietransformation - und Geopolitik haben?“ („Which Importance will have Natural Gas in Europe in the nexus of energy and global energy transformation as well as geopolitics“) with Prof. Dr. Klaus-Dieter Borchardt, Director of the Internal Energy Market in the European Commission's Directorate-General for Energy, „High Level Experts' Round Table on Energy and Geopolitics“ of the „Strategic Energy and Security Initiative“ (SESI) initiated in 2015, Berlin.

19 November 2018: PPT-Presentation "Energiesicherheit in einer digitalisierten Welt" ("Energy Security in a Digitalized World"), Hanns-Seidel-Foundation, Vortragsveranstaltung der Akademie für Politik und Zeitgeschehen, Konferenzzentrum Munich (<https://www.hss.de/news/detail/die-drei-ds-der-energiewende-news4021/>).

9 November 2018: Panelist/Participant at „Was sind die wichtigen Entwicklungen/Trends, die wir in den kommenden fünf bis fünfzehn Jahren für den Nexus von Geopolitik und Energie, rsp. globaler Energietransformation, im Auge behalten müssen?“ („What are the most important developments/trends of the next 5-15 years for the nexus of Geopolitics and Energy (global energy transformation), „High Level Experts' Round Table on Energy and Geopolitics“ of the „Strategic Energy and Security Initiative“ (SESI) initiated in 2015, Berlin.

18 October 2018: PPT-Presentation "Maritime (Energie-)Routen und Konflikte" ("Maritime (Energy-Routes and Conflicts"), Expert-Workshop "Internationale Energie- und Klimastrategien 2018" ("International Energy and Climate Strategies"), Hanns-Seidel-Foundation, Westerham/Germany, 18-19 October 2018.

26 September 2018: PPT-Presentation "Geopolitics of Energy" at the "Energy Security Strategic Awareness Course", NATO-School Oberammergau/Germany.

25 September 2018: PPT-Presentation "Global Energy Developments" at the "Energy Security Strategic Awareness Course", NATO-School Oberammergau/Germany.

6 September 2018: PPT-Presentation "Energy Security in a Digitalized World and its Geostrategic Implications" at the international conference "The Future of Global Energy Security in the Age of Digitalization", organized by KAS-RECAP and the Singaporean-German Chamber of Industry and Commerce, Singapore, 6-7 September 2018.

5 September 2018: PPT-presentation "Cybersecurity of Critical Infrastructures: New Challenges Ahead of Digitalisation, Internet of Things and Industry 4.0" at the RSIS-Seminar, S. Rajaratnam School of International Studies (RSIS), Nanyan Technological University (NTU), Singapore (<http://www.rsis.edu.sg/event/rsis-seminar-by-dr-frank-umbach-180905/#.XArw0XRKiM9>).

4 September 2018: PPT-Presentation "Energy Security and Digitalization: Challenges and Geostrategic Implications", at the RSIS-Seminar, S. Rajaratnam School of International Studies (RSIS), Nanyan Technological University (NTU), Singapore (https://www.rsis.edu.sg/event/rsis-seminar-by-dr-frank-umbach-180904/#.W_8eXehKg2w).

28 August 2018: PPT-presentation “Cyber Security of Critical Energy Infrastructures” at the summer school “International School of Energy Systems/ISES 2018”, organized by the Institute for Energy- and Climate Research/System Analysis and Technology Evaluation (IEK-STE), Forschungszentrum Juelich, Kloster Seeon/Germany.

19 June 2018: panelist and introductory presentation “What are the Lessons learnt from Existing Capacity Markets in Europe?” at the EURACTIV/PKEE joint expert workshop „The European Energy Transition: the Role of Capacity Market“, Rome/Italy.

12 June 2018: panelist and introductory presentation “The Commission’s Approved Capacity Mechanisms for Poland and other EU Member States – Implications” at the expert workshop “Los desafíos del mercado europeo de la electricidad: la situación española”, EURACTIV/PKEE, Madrid.

15 May 2018: ppt-presentation „Globale Energiemegatrends und lokale Herausforderungen – Folgen in der Energiewirtschaft“ (“Global Energy Mega Trends and Local Challenges – Consequences for the Energy Industry”), Energieforum, organized by TaylorWessing (Düsseldorf) and ProventisPartners (Munich), Düsseldorf/Germany.

3 May 2018: ppt-presentation „Globale Energiepolitik – Energiewende in der Kritik“ („Global Energy Policy – Energiewende in the Criticism“), KAS-Seminar/Viessmann Deutschland GmbH, Baunatal/Germany.

26-27 April 2018: conducting a second training course of „The (EU)-Security Union: Cybersecurity“ for employees of the European Parliament in Luxembourg, organised by the European Parliament and the European Institute of Public Administration (EIPA).

16-18 April 2018: teaching a block-seminar to “EU External Energy Governance” at the EU-College at Natolin/Warsaw (Poland).

12 April 2018: PPT-Presentation “Deutsche Energie- und Sicherheitsstrategie gegenüber Russland” (“German Energy and Security Strategy towards Russia”) at the bilateral German French Conference: „Bayerisch-französischer Dialog über Europa. Europa(politische)-Konzeptionen in Frankreich und Deutschland“, organised by the Hanns-Seidel-Foundation (HSS) and Le Centre d’information et de recherche sur l’Allemagne contemporaine (CIRAC), Munich, 12-13 April 2018

10 April 2018: PPT-Presentation “Enhanced Connectivity in the Energy Sector” at the international conference: „China’s Belt and Road Initiative: The Return of the Silk-Road to the Mediterranean“, organised by the Konrad Adenauer Foundation (KAS)-Tunisia, Gammarth/ Tunisia, 10-11 April 2018.

27 March 2018: ppt-presentation “The Digitalisation of Energy and Cybersecurity” at the Inaugural Energy Policy Dialogue: „Australia, Europe and the Asia-Pacific Region – Global Energy Security and Climate Change“, Canberra, 26-27 March 2018.

16 March 2018: panelist at the Policy Dialogue on “Reviewing the Gas Directive: Opportunities and Challenges”, organized by the European Policy Centre (EPC) and Central Europe Energy Partners (CEEP), Brussels.

7 March 2018: panelist at the first EUCERS-KAS Energy Talks 2018 „Global Climate Policy in the Wake of the US withdrawal: Security challenges“, King’s College, London, 7 March 2018.

26 February – 01 March 2018: teaching a block-seminar to “EU External Energy Governance” at the EU-College at Natolin/Warsaw (Poland).

24 February 2018: ppt-presentation “The Energy-Security of Major ASEAN Countries: Implications for Maritime Security Policies and the South China Sea’s Territorial Disputes”, RSIS-Seminar, S. Rajaratnam School of International Studies (RSIS), Nanyang Technological University (NTU), Singapore.

21 February 2018: ppt-presentation “China’s Belt and Road-Initiative and its Energy-Security Dimensions”, RSIS-Seminar, S. Rajaratnam School of International Studies (RSIS), Nanyang Technological University (NTU), Singapore.

17 February 2018: ppt-presentation “Global Energy Megatrends and Digitalisation: Implications for Critical Energy Infrastructures and Requirements for Resilience” at the international conference: „Pirate Secon 2018“, Pirate Party, Munich.

14-15 February 2018: ppt-presentation “European Energy Infrastructures and Energy Security“ at the IEK-STE high level seminar “Resilience of Energy Systems and Energy Security“, organised by the Institute for Energy- and Climate Research/System Analysis and Technology Evaluation (IEK-STE), Forschungszentrum Jülich, Bonn (Germany), 15 February 2018.

25-26 January 2018: conducting a training course of „The (EU)-Security Union: Cybersecurity“ for employees of the European Parliament in Luxembourg, organised by the European Parliament and the European Institute of Public Administration (EIPA).

2017

14 December 2017: ppt-presentation “Energy Challenges in NATO’s South” at the annual NATO Roundtable on Energy Security, Brussels.

13 December 2017: comments on “The Future of Global Climate Policy and Security” at our EUCERS expert workshop on “The Future of Global Climate Policy – The Security and Financial Dimension”, jointly organized with the Konrad Adenauer Foundation (KAS), London.

1 December 2017: ppt-presentation „Klima, Energie und mehr – Wie sicher ist die europäische Energieversorgung?“ („Climate, Energy and more – How Secure is the European Energy Supply?“), expert discussion with representatives of the Bavarian ministries for environment, economy and energy as well as education, culture, science and arts, Bayerische Landeszentrale für Politische Bildung, Munich.

30 November 2017: ppt-presentation „Klima, Energie und mehr – Wie sicher ist die europäische Energieversorgung?“ („Climate, Energy and more – How Secure is the European Energy Supply?“), public event, Bayerische Landeszentrale für Politische Bildung Bayern, Munich.

28 November 2017: ppt-presentation “The Impact of Nord Stream 2 on European Energy Security”, and panel discussion at “Brussels Debate of Energypost”, Brussels.

17 November 2017: ppt-presentation “Coping with OPEC and US Shale: Russia’s Role” at the joint expert conference «EU-Russia Energy Partnership in Difficult Times», organized by EUCERS, RANEP and KAS, Moscow.

7 November 2017: ppt-presentation “Key Challenges for the EU Energy Sector Progressing along the Road towards the Enhancement of Energy Security” and panel discussant at the three sessions “Energy Policy of the EU”, “Global Trends” and “Summarizing Session” at the Vilnius Energy Forum «Independent Strategy – Strong Economy», Vilnius, 7-8 November 2017.

5 November 2017: ppt-presentation “Energiesicherheit in Europa” (“Energy Security in Europe”), Industrial Fair “World of eMobility in Worms – EWR macht Zukunft erFAHRbar”, 2. Panel Discussion “Energiewende: Ist Deutschland im Jahr 2050 energieautark?” (“Energiewende: Will Germany be Energy Independent?”), Worms (Germany).

26 October 2017: ppt-presentation „Klimawandel und Energiewende“ („Climate Change and Energiewende“), Viessmann GmbH, Aachen.

26 September 2017: ppt-presentation “Global Energy Developments” at the “Energy Security Strategic Awareness Course”, NATO-School Oberammergau, 26 September 2017.

10 August 2017: ppt-presentation “Europäische Energiesicherheit im globalen Kontext“ („European Energy Security in the Global Context“), Hanns-Seidel Foundation (HSS), Munich
<https://www.hss.de/themen/energie-und-klima/artikel-detail-energie-klima/unser-rohstoff-problem->

[news1051/](#)) and the ppt-Presentation:

https://www.hss.de/fileadmin/user_upload/HSS/Bilder/Bilder_Veranstaltungen/2017/170810_energiesicherheit_umbach2.pdf.

11 July 2017: ppt-presentation "Strategic Perspectives for Bilateral Energy Cooperation between the EU and Kazakhstan" at the international Workshop: "The Future of Energy Security: Conventional and Renewable Sources in the Aftermath of the Paris Agreement", organized by KAS, EUCERS and the Atlantic Council, Nazarbayev-University, Astana/Kazakhstan, 11 July 2017.

10 July 2017: ppt-presentation "Creating a Political Framework for Eurasian Cooperation", organized by the International Workshop "Domestic and Regional Challenges for Kazakhstan's Energy Transformation", organized by KAS, EUCERS and Almaty Tech Garden, Almaty/Kazakhstan.

8 July 2017: ppt-presentation "The Role of China, Russia and the European Union in the 'Great Game' in Central Asia", organized by the international conference "Resources in Central Asia: Chances for Cooperation", Issyk Kul See, Kyrgyzstan, 8-9 July 2017.

27 June 2017: panelist at "Expert Roundtable on Energy Security of Ukraine" at the German-Ukrainian Energy Symposium "The Potential of Ukraine in Renewable Energy", Berlin.

23 June 2017: ppt-presentation „Veränderte geopolitische Situation: Europäische Energieaußenpolitik“ („Changing Geopolitical Situation: European Energy Foreign Policy“) at the expert-workshop "Internationale Energie- und Klimastrategien" („International Energy and Climate Strategies“) at the Akademie für Politik und Zeitgeschehen der Hanns-Seidel-Foundation (HSS), Bernried, 22-23 June 2017.

15 June 2017: ppt-presentation and keynote speech "Global Trends with Local Impacts" at the Opening Session of the International Conference «Shaping the Future – The Corporate Perspective», 2017 Energy Strategy Summit, Bukarest/Romania.

14 June 2017: panelist at "Industrial Carbon Performance. European and Global Perspectives", 3rd Energy Talk 2017/EUCERS/KAS Energy Talks 2017, London.

12 June 2017: ppt-presentation "Cybersecurity 2017- Global Threats and Strategic Trends" at the publishing house of the leading Polish newspaper "Rzeczpospolita Daily", Warsaw on invitation from the Geopolitical Intelligence Service (GIS) and KAS, Warsaw.

11 June 2017: ppt-presentation „Globale Energiemegatrends – Energiewende in der Kritik“ („Global Energy Mega Trends – [German] Energiewende Being Criticized“), KAS-Seminar/Viessmann Deutschland GmbH, Baunatal/Germany.

9 June 2017: PPT-Presentation "EU-Energy Supply and Strategic Interests" at the international expert conference «Energy Security and Regional Cooperation in the Eastern Mediterranean Rim», KAS, Malta, 8-9 June 2017.

30 May 2017: Panelist at the Roundtable Discussion „Strategic (Energy) Resources and Future Challenges for Europe“, organized by the Konrad Adenauer Foundation (KAS)/Department of Political Sciences of the University of Zagreb, in Zagreb.

30 May 2017: PPT-Presentation "Current Challenges of Energy and Climate Policy in the EU" at the Conference «Geopolitics and Economic Development of Europe», organized by the KAS/Department of Political Sciences of the University of Zagreb, in Zagreb.

29 May 2017: PPT-Guest Presentation "Price of Energy and European Energy Strategy" at the at the Roundtable Discussion: «Energy Policy and Economic Development in the EU», organized by the (KAS) in Zagreb (Croatia).

16 May 2017: Presentation and Participation at the teleconference on "German Energy Market Outlook - Looking Beyond Next National Elections in Autumn 2017" for the Gerson Lehrman Group (GLG) in London.

17 April 2017: Podcast-Interview zu EU-Russland Energiebeziehungen für GASPacho Podcast, Arbeitskreis für Sicherheitspolitik an der Universität Passau:

1. <https://soundcloud.com/gaspacho-podcast/eu-russian-energy-security-grab-em-by-the-pipeline>

 3. Facebook: <https://www.facebook.com/GASPachoPodcast/?ref=ts&fref=ts>
 4. Sie finden den Podcast natürlich auch auf iTunes unter GASPacho Podcast.
- 6 April 2017: Panel-Discussant at “The Role of Natural Gas in the EU Energy Mix in Context of the Paris Agreement” at the EUCERS-KAS Energy Talks at King’s College, London.
- 30 March 2017: PPT-presentation ”The South China Sea Conflicts and its Energy Dimensions” at the seminar of the S.Rajaratnam School of International Studies (RSIS) at the Nanyan Technological University (NTU), Singapore.
- 28 March 2017: PPT-presentation “The Global Gas Oversupply and Its Impact on Europe and Asia: Where will the U.S. LNG Exports Go?” at the seminar of the Energy Studies Institute (ESI), Singapore (PPP-presentation slides: <http://esi.nus.edu.sg/eventitem/2017/03/28/default-calendar/the-global-gas-oversupply-and-its-impact-on-europe-and-asia-where-will-the-u.s.-lng-exports-go->; see “Download Slides” at the bottom and http://www.globalnghub.com/custom/domain_4/extra_files/attach_371.pdf)
- 7 March 2017: Presentation at the Panel Discussion “Energy and Climate Policy between Trump Presidency and Paris Agreement” at the EUCERS-KAS Energy Talks at King’s College, London.
- 27 February 2017: Interview in: „SGC Most Important Diversification Project for EU – Expert”, in: Trend (Azerbaijani News Agency) - (<http://en.trend.az/business/energy/2725997.html>)
- 4 February 2017: Interview contributing to the article of Coco Liu, ‘The Real Reason for China’s U-Turn on Climate Change’, in: South China Morning Post (<http://www.scmp.com/week-asia/geopolitics/article/2067189/real-reason-chinas-u-turn-climate-change>)
- 2-3 February 2017: participation at the expert workshop “Japan: Regional Rivalries and Energy Security”, organized by the British Academy and the British Foreign Ministry, London.
- 23-27 January 2017: teaching a student course on "EU External Energy Governance" at the College of Europe at Natolin/Warsaw (Poland).

2016

- 15 December 2016: PPT-Presentation “Security Implications of Russia’s Energy Policies” at the annual “NATO-Roundtable on Energy Security”, Brussels.
- 12 December 2016: Panel Discussant at “Options for Gas Supply Diversification for the EU and Germany in the next Two Decades”, jointly organized by EUCERS-EWI (Energy and Research Scenarios gGmbH/ewi ER&S), London.
- 7 December 2016: Discussant at the first „High Level Expert Talk on Energy and Geopolitics“, Energlobe, Berlin.
- 2 December 2016: PPT-Presentation “Putting “Security” into Energy Security”, seminar for the European External Action Service (EEAS), organized by the European Institute of Public Administration (EIPA), Brussels.

18 November 2016: PPT-Presentation “Energy Prices, Climate Change and Geopolitics” at the annual sales conference of the Clyde Bergemann Power Group, Emmelsum/Wesel(Germany).

14 November 2016: PPT-Presentation ”Oil and Gas: Energy Prices, Geopolitics and Implications for Resource Competition and SLOCs”at the 8th South China Sea International Conference “Cooperation for Regional Security And Development”, organized by the Diplomatic Academy of Vietnam (DAV)/ Vietnamese Foreign Ministry, the Foundation for East Sea Studies (FESS) and the Vietnam Lawyers' Association (VLA), November 13-15, 2016, Nha Trang City (Vietnam).

10 November 2016: PPT-Presentation ”China’s Coal Investments Abroad: The Overlooked Climate and Energy Challenge” at the Energy Studies Institute Workshop: “Singapore-China Energy Forum 2016: Energy and Environmental Strategies in China’s Five-Year Plan and Beyond”, Singapore.

7 October 2016: PPT-Presentation “Globale Energiemegatrends versus weltweite Klimaschutzpolitik“ („Global Energy Mega Trends versus Worldwide Climate Protection Policies“) at Viessmann Dialog, Viessmann Deutschland GmbH, Frankenberg (Germany).

28 September 2016: Two PPT-Presentations “Global Energy Megatrends” and “Regional Energy Security Developments in Asia, the Middle East, and Eastern Europe Energy” at NATO’s annual “Security Strategic Awareness Course”, NATO-School Oberammergau.

25-27 September 2016: PPT-Presentation “Global Energy Security – Mega-Trends, Challenges and Implications for NATO” and Consultancy as the official “Subject Matter Expert” on natural resource competition for NATO’s annual “Strategic Foresight Analysis”, Fourth Interim Update Workshop, in Bydgoszcz (Poland).

23 September 2016: Panel Discussant “Climate Policy Implications for the Fossil Fuel Industry” at the EUCERS/ISD/KAS-Workshop “The Future of Fossil Fuels in the Era of Climate Change”, EUCERS, King’s College, London.

21 September 2016: PPT-Presentation “Future Energy Supply Without Fossil Fuels? – National Emission Reduction = Global Climate Protection?” at the VGB Congress «*Power Plants 2016: New Horizons-Navigating the Power Industry in Times of Change*», Leipzig.

23 June 2016: PPT-Presentation and Panel discussion “Energy Policy in Europe: Interests and Interaction”, at the “Young Leaders for Europe 2016”, a joint project organized by the Bertelsmann Stiftung and Heinz Nixdorf Stiftung, Krefeld.

20 June 2016: Snaptalk-Interview to “International Energy Trends and Impacts of Global Climate” Policies at *YouTube* at the 30th Asia-Pacific Roundtable Conference (<https://www.youtube.com/watch?v=IhuQaSRWM2E>), 20 June 2016

17 June 2016: PPT-Presentation ”Stand und Perspektiven der Energiekooperation zwischen EU und Zentralasien” („Present Situation and Perspectives of the Energy Cooperation between the EU and Central Asia“) at the energy expert seminar “Aktuelle Herausforderungen der Energie- und Klimapolitik “ (“Present Challenges of the Energy and Climate-Policies”) of the Hanns-Seidel-Foundation and its Akademie für Politik und Zeitgeschehen, Bernried/Germany, 16-17 June 2016.

16 June 2016: PPT-Presentation “Die Rolle Chinas: Kohle- und Klimapolitik” („The Role of China: Coal and Climate Policies“) at the energy expert seminar “Aktuelle Herausforderungen der Energie- und Klimapolitik “ (“Present Challenges of the Energy and Climate-Policies”) of the Hanns-Seidel-Foundation and its Akademie für Politik und Zeitgeschehen, Bernried/Germany, 16-17 June 2016.

9 June 2016: PPT-Presentation “Critical Energy Infrastructure Protection and Comprehensive Emergency Management”, at the final conference of the “European Cooperation Network on Critical Infrastructure Protection (EUCONCIP)”, Brussels.

8 June 2016: PPT Presentation “Vulnerabilities of Existing European Energy Systems to Threats” at the joint conference of the Polish government and NATO-Energy Security Centre of Excellence (ENSEC)-Conference : “NATO’s Role in European Security – The Maritime Dimension”, Warsaw.

1 June 2016: PPT-Presentation and Panel-Discussion “Energy Prices, Climate Change and Geopolitics: What Next?”, Plenary 4 at the Asia-Pacific Roundtable – APR @ 30: ‘Cooperation and Contestation in a Changing Regional Landscape’, Kuala Lumpur.

26 May 2016: PPT-Presentation “Ukraine’s Integration into the EU Internal Energy Market and Domestic Energy/Gas Reforms” at the Executive Energy Seminar, King’s College, London, 26 May 2016.

24 May 2016: PPT-Presentation ”Iraq’s Energy Sector - Addressing Challenges and Leveraging Opportunities” at the presentation of EUIEC-PI Iraq research paper, hosted by Roland Berger, London.

23 May 2016: Panel Discussant of “Gulf Region and Falling Oil Prices – Geopolitical Impacts EUCERS-KAS Workshop, London.

23 May 2016: PPT-Presentation “Changes and Challenges in International Energy Markets and Energy Security” at the Executive Energy Seminar, King’s College, London.

19 May 2016: PPT-Presentation “European Energy Strategy and Policy in Central Asia” at the international workshop “After the Oil Boom: Challenges and Risks for Countries in Central Asia and the Caucasus”, organized by the Hertie School of Governance, Forschungskolleg Siegen and RWTH Aachen University, Berlin.

6 May 2016: PPT-Presentation ”China’s and Asia’s Coal Policies and its Global Implications” at the international conference: “Global Energy Security and Climate Change Challenges: The Future of Coal and Chances for Clean Coal”, EUCERS-KAS-Atlantic Council-ESI/NUS, Seoul.

5 May 2016: PPT-Presentation ”Future Role of Coal: International Market Realities vs. Climate Protection?” at the international conference: “Global Energy Security and Climate Change Challenges: The Future of Coal and Chances for Clean Coal”, EUCERS-KAS-Atlantic Council-ESI/NUS, Seoul.

28 April 2016: PPT-Presentation „Die deutsche Energiewende in der Kritik. ‘Grüne Energieinsel’ versus gemeinsame EU-Energiopolitik und globale Energietrends“ („The German Energiewende Under-Fire. ‘Green Energy Island’ vs. Common EU-Energy Policy and Global Energy Trends”) at the 15. KAS-Seminar together with Viessmann Deutschland GmbH, Baunatal (Germany).

18-20 April 2016: PPT-Presentation and Consultancy as the official “Subject Matter Expert” on “Global Energy Security – Mega-Trends, Challenges and Implications for NATO” for NATO’s annual “Strategic Foresight Analysis”, Third Interim Update Workshop, in Lucerne (Switzerland).

7 April 2016: Presentation and Panel Discussion on “Nordstream 2 - Energy Relations between Russia and the EU: How to Build New Cooperation to Enhance Energy Security of All?” at the seminar of the Brussels Energy Club ”Energy Security of the European Union: Which Interdependencies with Third Countries?”, ASCPE-IFG-TUSIAD-BrEC, Brussels.

18 March 2016: PPT-Presentation “Emerging Threats and Cyber Security Challenges in the Maritime Sector” at the European Cooperation Network on Critical Infrastructure Protection (EUCONCIP) Training Workshop in Rome.

17 March 2016: PPT-Presentation “Cyber Security Policy for the Energy Sector. Cyber Resilience versus Cyber Security?” at the European Cooperation Network on Critical Infrastructure Protection (EUCONCIP) Training Workshop in Rome.

29 February-8 March 2016: Invited participant (as one of two European experts) at the “International Wikisense (Online) Exercise 2016” on Singapore’s national security issues on the topic “Energy Security” of the Singapore government, organised by the Centre of Excellence for National Security (CENS) of the S. Rajaratnam School of International Studies (RSIS) at Nanyang Technological University Singapore, together with the National Security Coordinating Secretariat (NSCS) in the Prime Minister’s Office, Singapore.

16 February 2016: Presenter and Panelist at the panel discussion “Geostrategic Challenges of Energy Security” at the Nazarbaev-University, Konrad-Adenauer Foundation (Astana/Kazakhstan) in Astana.

15 February 2016: PPT-Presentation “Strategic Perspectives for Bilateral Energy Cooperation between the EU and Kazakhstan - Geo-economic and Geopolitical Dimensions in Competition with Russia’s and China’s Central Asia Policies” at the Nazarbaev-University, Konrad-Adenauer Foundation (Astana/Kazakhstan) in Astana.

11 February 2016: PPT-Presentation “Changing Geopolitical Situation: EU-Ukraine-Russia and the Impact on European Energy Security” at the international Conference “Geopolitics and Energy in the Middle East and Eastern Mediterranean: Current Dynamics & Future Prospects”, KAS, USAK, Truman Institute and Basskent University, in Jerusalem/Israel.

30 January 2016: PPT-Presentation “The North Sea and the Future of Oil – Global Impacts on UK, Scotland and Norway”, EUCERS-KAS workshop in Edinburgh.

25 January 2016: participation at the EUCERS’s Expert Workshop “Options for Gas Supply Diversification for the EU and Germany in the Next Two Decades”, EUCERS/King’s College in London.

13 January 2016: PPT-Presentation “Energy Security and the New Dynamic in the East” at the “European Security Seminar – East (ESS-E)”, George Marshall Center in Garmisch-Partenkirchen/Germany.

2015:

15 December 2015: PPT-Presentation “The Russia-Ukraine Crisis: the Energy Dimension” at the “Annual NATO Energy Security Roundtable”, Brussels.

1 December 2015: PPT-Presentation “Was wirklich zählt: Energie aus Zentralasien (und der Kaspischen Region)“ („What Really Matters: Energy from Central Asia and the Caspian Region“) at the KAS-Seminar “Die EU-Zentralasien-Strategie: Bilanz und Perspektiven” („The EU-Central Asia-Strategy: Review and Perspectives“), Berlin.

30 November 2015: Presentation/Panelist “From the South to the North: Iraq as a Re-Emerging Energy Superpower” at the EUCERS/ISD/KAS Energy Talks, King’s College, London, 30 November 2015.

24 November 2015: PPT-Presentation „Hocheffiziente Kraftwerkstechnik/ CCS: Stand und Einsatzchancen weltweit“ („High-Efficient Power Plant Technic/CCS: Present Situation and Chances of Deployment“) at the industry association FDBR e.V. /Energy Agency North-Rhine Westphalia (EnergieAgentur.NRW): “9. Workshop Kraftwerkskomponenten, Energiewende: Chancen für Energieanlagenbau und Komponentenhersteller”, Gelsenkirchen.

17 November 2015: PPT-Presentation „Die Zukunft der Kohle. Präsentation der Kohlestudie: ‘Kohle versus Klimaschutz?’“ („The Future of Coal. Presentation of the ‘Coal-Study’: Coal versus Climate

Protection?“)“ at the Rhein-Ruhr Power: Das Kraftwerk der Zukunft, 9. Mitgliederversammlung des Rhein-Ruhr Power e.V./ Energy Agency North-Rhine Westphalia (EnergieAgentur.NRW) Moers (Germany).

13 November 2015: PPT-Presentation „Wie sicher ist die Energiewende? Drohende Cyber-Gefahr für die Energieinfrastruktur“ („How Secure is the Energiewende? Cyber Threats of the Energy Infrastructure“) at the Enercity-Dialog, Hannover.

11 November 2015 „Kohle versus Klimaschutz – Präsentation der “Kohlestudie” („Coal versus Climate Protection? – Presentation of the ‘Coal-Study’) at the conference of the Alstom-Works Councils, Wiesloch (Germany).

6 November 2015: PPT-Präsentation “Cyber Security Issues for Advanced Metering Infrastructure: Implications for Future Electrical Grids and Critical Infrastructures” at the European Cooperation Network on Critical Infrastructure Protection (EUCONCIP)-Training Workshop, Bucharest, 5-6 November 2015.

29 October 2015: PPT-Presentation “The Role of Natural Gas in the Future Energy Mix of Europe and the Asia-Pacific Region” at the international conference: “Changing Global Gas Markets. Geopolitical and Geo-Economic Impacts on the Asia-Pacific Region and Europe and Its Contribution to Sustainable Energy Systems”, organized by EUCERS, Konrad-Adenauer-Foundation (KAS), Energy Studies Institute/National University of Singapore, and the Atlantic Council of the U.S. in Singapore, 28-30 October 2015.

24 October 2015: Two PPT-presentations „Europäische Energieversorgungssicherheit im 21. Jahrhundert“ („European Energy Supply Security“) and „Rohstoffknappheit als sicherheitspolitische Herausforderung“ (“Raw Material Scarcity as a Security Policy Challenge“) at the seminar of the Konrad Adenauer Foundation “Krieg um Rohstoffe” („War about Raw Materials“), Königswinter/Germany.

22 October 2015: PPT-Presentation “Risks to Maritime Energy Infrastructure: Cyber Threats and Information Operations” at the Scenario-Based Workshop on „The Protection of Energy Infrastructure in the Maritime Domain“, NATO-Azerbaijan Expert Workshop of the Industrial Resources and Communications Services Group (IRCSG) in EAPC Format, NATO-Headquarter, Brussels, 22 October 2015.

21 October 2015: PPT-Presentation “Global Energy Security – Mega-Trends and Challenges”, Strategic Foresight Analysis – Interim Update Workshop – II, NATO-Supreme Allied Commander Atlantic (ACT), Helsinki, 20-21 October 2015.

16-17 October 2015: Two PPT-Presentations „Strategische Herausforderungen der Energiesicherheit in Europa und Eurasien“ (“Strategic Challenges of Energy Security in Europe and Eurasia“) und „Russische Energieaußenpolitik und Pipelinediplomatie zwischen EU, Kaspischer Region und China“ („Russian Energy Foreign Policies and Pipeline Diplomacy between EU, Caspian Region and China“) auf der Deutsch-Kasachische Energiekonferenz “Energiesicherheit und geostrategische Herausforderungen – Ressourcenpolitik in Zeiten der Energiewende, Zusammenarbeit zwischen Deutschland, EU und Kasachstan” (“Energy Security and Geostrategic Challenges - Resource Policies in Times of the Energiewende. Cooperation between Germany, EU and Kazakhstan“), Konrad-Adenauer-Stiftung (KAS), Cadenabbia (Italy).

12 October 2015: PPT-Presentation „Energieaußenpolitik: Globale Veränderungen der Energiemärkte und die geopolitischen Auswirkungen“ („Energy Foreign Policies: Global Changes of the Energy Markets and the Geopolitical Implications“) auf der 5. Sitzung des CDU-Bundesfachausschuss für Außen-, Sicherheits-, Entwicklungs- und Menschenrechtspolitik, Berlin, 12.10.2015

30 September 2015: PPT-Presentation "Kohleverstromung und Klimaschutz – Passt das zusammen?" („Coal-Based Electricity Production versus Climate Protection – Does It Fit Together“), Forum für Zukunftsenergien e.V., Berlin, 30. September 2015.

29 September 2015: Two PPT-Presentations "Global Energy Developments" and "Regional Energy Security Developments in the Middle East, Eastern Europe and Asia" at the first Energy Security Strategic Awareness Course, NATO-School Oberammergau, 29 September 2015.

15 September 2015: PPT-Presentation "Changing the Energy Mix? Germany's Alternative Approaches to Energy Policy" at the international energy conference: "The Changing Geopolitics of Energy Supply: Vulnerabilities and Opportunities", Danube Institute, Karolyi Csekonics Rezidencia, Budapest/Hungary.

3 September 2015: PPT-Presentation "External Energy Policies: Global and Regional Challenges - Implications for the EU's Energy Supply Security", European People's Party (EPP)-Group Bureau Meeting/European Parliament, Katowice (Poland).

16 July 2015: PPT-Presentation "Cyber Security and Protection of Critical Energy Infrastructure" at EUCERS-Executive Energy Seminar (EES), King's College, London.

15 July 2015: Introductory Statement/Panel-Discussion "Brazil's Emergence as an Energy Superpower – Global Dimensions and Implications for World Energy Markets" at EUCERS/ISD/KAS Energy Talks, King's College, London.

15 July 2015: PPT-Presentation "Can Ukraine Live without Russian Gas?" at EUCERS-Executive Energy Seminar (EES), King's College, London.

13 July 2015: PPT-Presentation "Changes and Challenges in International Energy Markets" at EUCERS-Executive Energy Seminar (EES), King's College, London.

7 July 2015: PPT-Presentation "International Oil Market Developments – Geo-economic and Geopolitical Dimensions", Warsaw Euro-Atlantic Summer Academy (WEASA 2015), College of Europe, Warsaw.

7 July 2015: PPT-Presentation "Diversification of EU Energy Imports" at the Warsaw Euro-Atlantic Summer Academy (WEASA 2015), College of Europe, Warsaw.

2 July 2015: „PPT-Presentation „Veränderte geopolitische Situation (EU-Ukraine-Russland) – Auswirkungen auf die europäische Energiesicherheit (“Changing Geopolitical Situation: EU-Ukraine-Russia) – Impacts on European Energy Security“) at the Expert Workshop of the Hanns-Seidel-Foundation (HSS): "Present Challenges of the European Energy and Climate Policies“, Wildbad Kreuth, July 2-3, 2015.

12 June 2015: Participation at the Expert Discussion "Risiko und Resilienz im Energiesystem" ("Risk and Resilience in the Energy System") and the Working Group "Rohstoffe für die Energiewende – Metalle im Fokus" ("Raw Materials – Focus on Metals") organized by ACATEC-German Academy of Technical Sciences, Berlin.

29 May 2015: Participation at the "2nd Energy Dialogue at Seimas" on LNG-Perspectives for the Baltic States and Europe, Vilnius/Lithuania.

28 May 2015: Power Point Presentation "European Energy Strategy and Recent Developments" at the first "Energy Security Course" at the NATO Energy Security Centre of Excellence", Vilnius/Lithuania.

20 May 2015: PPT-Presentation „- Implications for US/Europe: Which countries stand to benefit most from eastern Mediterranean gas exports?“ at the international conference “Natural Gas Developments in the Eastern Mediterranean: Geopolitical & Economic Challenges”, organized by EUCERS, Konrad-Adenauer-Foundation (KAS) in Israel, U.S. Atlantic Council, and Eco Energy Israel in partnership with the Haifa Research Center for Maritime Strategy, University of Haifa, Truman Institute at The Hebrew University and MITVIM - The Israeli Institute for Regional Foreign Policies, at the Konrad-Adenauer-Stiftung in Israel, Jerusalem.

7 May 2015: PPT-Presentation „Die deutsche Energiewende in der Kritik. ‘Grüne Energieinsel‘ versus gemeinsame EU-Energiepolitik und globale Energiereits“ at the 14. KAS-Seminar together with Viessmann Deutschland GmbH, Baunatal (Germany).

4 May 2015: PPT-Presentation “Impacts of Regional Geo-Political Developments on Region/Country Energy Markets and Projects” at the International Conference: “Geopolitical Energy Arena: ‘Shifting Dynamics””, organized by STEAM, Istanbul.

20 April 2015: Presentation “Kazakhstan’s Emergence as an Energy Superpower” at the EUCERS/ISD/KAS Energy Talks on EU-Kazakhstan Relations.

13 April 2015: Presentation of the results of my forthcoming joint EUCERS-Alstom study “The Future Role of Coal: International Market Realities vs. Climate Protection”, London, King’s College, April 2015, 75 pp. at the Hannover Fair, Alstom-Representation.

20 March 2015: PPT-Presentation “Energiesicherheit: Aktuelle Entwicklungen in Europa“ (Energy Security: Present Developments in Europe“ at the “Erdgastagung 2015: Roadmap Gasversorgungsgesetz” (“Natural Gas Symposium: Roadmap of Gas Supply Law”), University St. Gallen (Switzerland).

18 March 2015: PPT-Presentation “Strategic Trends and Challenges of International Energy Security” at the annual NATO Strategic Foresight Analysis Workshop „Forging the Future Leading NATO Military Transformation”, organized by the Headquarter of NATO’s Supreme Allied Command Transformation, Norfolk in partnership with the National Defence Academy, Austria, Vienna 18-19 March 2015.

11 March 2015: PPT-Presentation “Effects of the Russian-Ukrainian Conflict on International Oil Markets” at the International Symposium: “Current Oil Market Developments and Their Impact on the Gulf Cooperation Council (GCC)”, organised by the Emirates Center for Strategic Studies and Research (ECSSR), Abu Dhabi, 11 March 2015.

2-4 March 2015: four PPT-presentations at a Bundeswehrseminar on international, European and German Energy Security at the WannseeForum, Berlin.

5 February 2015: Participation at the Round Table Discussion with the CEO of Naftogaz Ukraine, Andriy Kobolyev in Berlin.

28-29 January 2015: Panelist at the Round Table Discussion “Obstacles in International Nuclear Decommissioning and Ways to a Truly International Community” and Discussion Leader of the Round Table Session: “Preparing Decommissioning” at the 3rd Annual “International Nuclear Decommissioning Summit”, organised by the International Quality & Productivity Center (IQPC), Berlin 2015.

2014:

15 December 2015: “Energy Security – What Are the Challenges?” at the annual NATO Energy Security Roundtable, NATO-Headquarter, Brussels/Diegem.

11 December 2014: “Energy Security in South-Eastern Europe” at the International Energy Conference: “New Security Challenges for South Eastern Europe”, SSR-10-CF, RACVIAC-Centre for Security Cooperation and the Konrad-Adenauer-Foundation (KAS), Zagreb, 10-12 December 2014.

24 November 2014: “Global and European Energy Security Challenges and Its Implications for NATO” at the Study Period E, Senior Course “Global Security Challenges” at the NATO Defence College, Rome.

18 November 2014: Presentation “The United States and Russia-EU Energy Interdependence” at the international conference “Germany, France and the United States: Towards a Renewed Transatlantic Dialog?”. A closed seminar organized by Comité d'études des relations franco-allemandes (Cerfa), IFRI, Paris, 17-18 November 2014.

6 November 2014: Presentation “How Will China’s Energy Hunger Affect the World?” at the EUCERS/ISD/KAS Energy Talks, King’s College, London.

27 October 2014: PPT-Presentation “Good Governance and the Example of the South Stream Gas Pipeline Project” at the International Conference: “Energy Security and State Capture Risks in Europe”, Center for the Study of Democracy/NATO, Sheraton Hotel Sofia.

7 October 2014: PPT-Presentation “Baltic and EU Energy Security at the Wake of the Russian-Ukrainian Conflict”, College of Europe, Natolin Campus, Warsaw/Poland, 7 October 2014.

5 October 2014: Presentation “Economic Foundations of Russia’s Future Power: Energy Policies and External Conditions” at the Vaduz Roundtable: “Russia’s Future and Europe in the Wake of the Ukrainian Crisis”, GIS/CESS, Vaduz, Liechtenstein, 3-5 October 2014.

29 September 2014: PPT-Presentation “The Role of Turkey for the EU Energy Security” at the Expert Roundtable “Turkish Energy Leadership and Its Implications for European Energy Security”, Istanbul Policy Center/Sabancı University, Stiftung Mercator Initiative and Stiftung Neue Verantwortung, Berlin.

18 September 2014: PPT-Presentation “Global and European Dimensions of the German Energiewende” at the international energy conference: “Energy Market South East Europe 2014”. Evroenergie, Prishtina, 18-19 September 2014.

4 September 2014: PPT-Presentation “The Changing Geopolitics of Global Energy” at the STEAM-3rd International Oil and Gas Arena: “Mapping the Future of Energy for Turkey and Europe. New Opportunities in Iraq Kurdistan Region & the Eastern Mediterranean”, Istanbul, 4-5 September 2014.

2 September 2014: Panelist at the Discussion “An Energy Union – Competitiveness, Growth, Security and Solidarity” at the 24th Economic Forum, Grupa LOTOS/Central East European Energy Partners (CEEP), Krynica-Zdroj (Poland).

29 August 2014: PPT-Presentation “Global Outlook on Energy Supply and Security” at the Karlsruher Institut für Technologie (KIT) – SES Summer School, Karlsruhe Germany.

3 July 2014: Panel-Presentation to „The Implications of Iran’s Re-Integration in Global Energy Markets“ at the EUCERS/ISD/KAS Energy Talks, King’s College, London.

30 June-2 July 2014: four PPT-Presentations “Changes and Challenges in International Energy Markets-An Overview”, “Politics and Energy Policy – Spotlight: China and Japan”, “Cyber Security and Protection of Critical Energy Infrastructure” and “Raw Material Supply Security, Rare Earths and Geopolitical Dependencies of Renewables” at the EUCERS Executive Energy Seminar “Changes and Challenges in International Energy Markets”, King’s College, London.

26 June 2014: PPT-Presentation “Energieversorgungssicherheit in Deutschland – Bedeutung und Potenzial in der EU“ („Energy Supply Security in Germany – Importance and Potential in the EU“) at the Expert Workshop: “Welche Rolle hat Erdgas für uns?” (Which Role Does have Natural Gas for Us?“), Hanns-Seidel-Foundation, Bildungszentrum Wildbad Kreuth/Germany, 26-27 June 2014.

25 June 2014: “Kohle – Keine Rolle im Klimaschutz?“ („Coal –No Role to Paly for Climate Protection“) at the Alstom-ECONSENSE: Forum Sustainable Development of the German Economy, Berlin.

17 June 2014: Two PPT-Presentations „EU-Energiebinnenmarkt: Stand und strategische Perspektiven“ („EU-Internal Market: Present Situation and Strategic Perspectives“) and „EU-Klimaschutzstrategie: Stand und Perspektiven“ („EU-Climate Protection Strategy: Present Situation and Perspectives“), Klausur des Beteiligungs- und Stadtausschusses der Stadtwerke Hannover AG/Enercity, Hannover.

21 May 2014: PPT-Presentation “The Mediterranean Solar Plan” at the EuroMed-Information and Training Seminar for Diplomats “Perspectives for Cooperation in the Euro-Mediterranean Region” at the European Institute for Public Administration (EIPA), Brussels, 20-23 May 2014.

20 May 2014: Commentator to the Report: “Three Years of Ukraine’s Membership in European Energy Community” (DiXi Group, Kiev) at the Expert Workshop “Enhancing European Energy Security Through EU-Ukraine Cooperation”, Konrad Adenauer Foundation-European Office, Brussels.

16 May 2014: PPT-Presentation “What is the Case for a Responsible Shale Gas Development?” at the International Conference: “Responsible Growth Paths: Policies and Practices from the Extractive Sector”, Federal Department of Foreign Affairs/The Business Humanitarian Forum, Geneva.

14 May 2014: Commentator at the Panelist Roundtable “European External Energy Policy – Re-orientation in Times of Crisis”, Bruegel-Institute, Brussels.

13 May 2013: PPT-Presentation „Die deutsche Energiewende – ein Blick von außen: “‘Grüne Energieinsel‘ versus gemeinsame EU-Energiepolitik und globale Energietrends“ (The German Energy Transformation – A Review from Outside: ‘Green Energy Island‘ versus Common EU-Energy Policy and Global Energy Trends“), 14. Technical Press Colloquium, Alstom Deutschland, Rostock.

7 May 2014: four PPT-presentations on global and European Energy Security, the German Energiewende and cyber threats to energy infrastructures at a Bundeswehr seminar at the Karl-Arnold-Foundation in Königswinter (Germany).

30 April 2014: Presentation "*Ukraine/ Crimea: Is Shale Gas from the U.S. an Alternative*" at the Expert Workshop as part of a series of five roundtable discussions with the general theme

of "*Changing Political and Economic Dynamics of Global Energy Flows*", hosted by the European Centre for Energy and Resource Security (EUCERS) together with the Institute for Strategic Dialogue (ISD) and the Konrad Adenauer Foundation (KAS) at the King's College in London.

10 March 2014: PPT-Presentation: „Die deutsche Energiewende versus gemeinsame EU-Energiepolitik und globale Energieentwicklungen“ at the 5th Energy-Symposium “Kraftwerke der Zukunft. Neues Marktdesign – neue Chancen für die Energiewirtschaft?” („Power Plants of the Future: New Market Designs – New Chances for the Energy Economy”), Management Circle, Berlin, 10-11 March 2014.

5 March 2014: PPT-presentation “The Changing Global and European Gas Markets and its Implications for Trading Gas Hubs - European Views and Experiences” at the international symposium “The Gas Trading Hub. Present Status and Future Prospects”, organised and hosted by the Ministry for Foreign Affairs (MOFA) and the Korean Gas Union (KGU), Seoul/South Korea.

25-26 February 2014: PPT-presentation “Europe: Which Diversification Strategies for the Consumers?” and being the chairman of one day of the international conference “Eurasia Gas: New Game Changers”, Academy & Finance in Partnership with Kazenergy Eurasian Forum, Abu Dhabi.

28 January 2014: four PPT-presentations on global and European Energy Security, the German Energiewende and cyber threats to energy infrastructures at a Bundeswehr seminar at the Karl-Arnold-Foundation in Königswinter (Germany).

16 January 2014: Panel-Presentation “Southern Gas Corridor and Natural Gas in the Mediterranean – Opportunities for Europe” at “The European Energy Forum”: Energy Infrastructure & Security Challenges and Solutions for Europe”, organised by EUCERS and International Business & Diplomatic Exchange (IBDE), King's College.

2013:

17 December 2013: PPT-Presentation “Shared Neighbourhood, Common Problems? ”Destined to Cooperate? NATO and Russia between Power, Identity and Institutions”, Association for International Affairs/Czech Foreign Ministry, Prague.

16 December 2013: PPT-Presentation „Energy Security: What are the Challenges?” at the ”NATO-Roundtable on Energy Security”, NATO-Headquarter/Brussels.

26 November 2013: PPT-presentation “Emerging Energy Security Challenges and Europe” at the ”Central European Energy Conference (CEEC): EU Energy Policy and Energy Security of Central Europe VII – The North-South Energy Corridor and Emerging Regional Energy Market”, Bratislava/Slovakia, 24-26 November 2013.

19 November 2013: PPT-presentation “Eastern Mediterranean Gas and the Southern Corridor” at the international conference “Natural Gas in the Mediterranean – Opportunities and Challenges”, organized by EUCERS and the Atlantic Council, Sabanci University/Istanbul.

7 November 2013: PPT-presentation „Russland gibt Gas – Russlands Erdgas und die Energiesicherheit der EU“ („Russian Natural Gas and EU-Energy Security“) at the expert

seminar: “Russland und der Westen – Partner oder Konkurrenten?” („Russia and the West“ – Partner or Competitors?) , Hanns-Seidel-Stiftung, Wildbad Kreuth, 7.-8. November 2013

6 November 2013: PPT-presentation “Strategic Implications and Perspectives of the Post-Shah Deniz Decision: What’s the Way Forward for Central and South-East Europe?” at the international energy conference of Hungarian Presidency 2013-2014 of the CEI 2013-Visegrad Group, Hungarian Foreign Ministry/Hungarian Embassy, Brussels.

29 October 2013: PPT-presentation “Energy and Sustainable Development – A European View” at the EuroMed Information and Training Seminar for Diplomats: “Social, Economic and Institutional Development Trends in the EuroMed Region”, European Institute for Public Administration (EIPA)/European External Action Service (EEAS), Paris, 28-31 October 2013.

24 October 2013: PPT-presentation “Shale Gas Perspectives in Europe and Beyond” at the NAET Autumn Conference “Game Changers”, Dong Energy Headquarter, Copenhagen.

22 October 2013: PPT-presentation “The Shale Gas Revolution – Is Europe Next?” at the 33rd CoalTrans Conference/World Coal Conference 2013, Berlin.

17 October 2013: Two PPT-presentations “ ‘Security’ into ‘Energy Security’ – Global Challenges “ and “Reducing Dependency; an Internal Energy Market; Energy Diversification, Lessening Demand on External Supplies – All Pipe Dreams?” at the energy security seminar of the European Institute of Public Administration (EIPA)/European External Action Service (EEAS), Brussels .

14-15 October 2013: 4 presentations on global and European Energy Security, the German Energiewende and cyber threats to energy infrastructures at a Bundeswehr seminar at the Karl-Arnold-Foundation, Königswinter.

1 October 2013: PPT-Presentation “Shale Gas – Implications for the European Competitiveness” at the Symposium “Gas: Too Much of a Good Thing?”, Science/Business, Brussels.

26 August 2013: "*Strategic Implications and Perspectives of the TAP-Selection for European Energy Security*" at the International Conference “Energy Security and Diplomacy”, organized by the National University of Public Service in Co-operation with the Hungarian Institute of International Affairs, Budapest.

22 August 2013: "*Global Outlook on Energy - Changes and Challenges in International Energy Markets and Energy Security*" at the summer school KIT-AIFB-Siemens, Siemens Technics Academy Berlin.

18 July 2013: PPT-Presentation “European Gas Supply Security: Focus on Central/Southeastern Europe and Ukraine”, Workshop at the “Warsaw Euro-Atlantic Summer Academy (WEASA), College of Europe/Natolin Campus, Warsaw.

25 June 2013: PPT-Presentation „Threats, Vulnerabilities and Building Resilience: Focus Cyber Protection of Critical Energy Infrastructures” at the NATO-Azerbaijan Expert Seminar: Energy Infrastructure Protection Informal Working Group within the Partnership Action Plan on Terrorism (PAP-T), NATO-Headquarter, Brussels.

20 June 2013: PPT-Presentation “Raw Material Supply Security, Rare Earths and Geopolitical Dependencies of Renewables” at EUCERS Executive Energy Seminar (for Managers), Exyecutive Summer Institute, EUCERS/King’s College, London.

17 June 2013: PPT Presentation „Changes and Challenges in International Energy Markets – An Overview” at EUCERS Executive Energy Seminar (for Managers), Exyecutive Summer Institute, EUCERS/King’s College, London.

13 June 2013: PPT-Presentation „Weichenstellung für die Bundeswehr? Energieversorgungssicherheit Deutschlands – Implikationen für die Sicherheitspolitik Deutschlands und Europas“ („The German Bundeswehr at the Crossroads? Energy Supply Security of Germany – Implications for the Security Policies of Germany and Europe”), Seminar for German Bundeswehr Generals, 9. Koblenzer Gespräche 2013: “Führen-Verantworten-Vertrauen”, Zentrum Innere Führung der Bundeswehr, Koblenz.

11 June 2013: PPT-Presentation „Fracking: Geopolitische und geo-ökonomische Auswirkungen auf Deutschland und Europa“ („Fracking: Geopolitical and Geo-Economic Impacts on Germany and Europe“) at UNITI (Bundesverband mittelständischer Mineralölunternehmen e.V./Federation of Mid-Sized Mineral Oil Companies e.V in Germany), Jahresmitgliederversammlung 2013, Berlin.

10-12 June 2013: 4 PPT-Presentations to “Herausforderungen der globalen, regionalen (EU) und deutschen Energiesicherheit” (“*Global, Regional (EU) and German Energy Security Challenges*”) at a Seminar of the “Leadership Development and Civic Education Centre” (“Zentrum für Innere Führung”), European Academy Berlin.

5 June 2013: PPT-Presentation „Assessing Your Options For Sourcing Rare Earths: Seeking Stability in a Complex Markt”, International Coil Winding, Insulation, Electrical and Manufacturing Exhibition (CWIEME), Messe Berlin, 4-6 June 2013.

4 June 2013: PPT-Presentation „Sicherheitspolitische und geo-ökonomische Auswirkungen der Schiefergasrevolution in den USA“ (Security Policy and Geo-Economic Impacts of the Shale Gas Revolution in the U.S.A.“), 21. Sitzung des AK Friedens- u. Konfliktforschung, Planungsstab des AA (Planning Staff of the German Foreign Ministry), Berlin.

28 May 2013: 28.5.2013: Introductory Presentation and Moderator at the „Experts in Dialogue“-Veranstaltung „Gasmarkt im Wandel: Was bedeutet die energiepolitische Entmachtung Russlands für Europa?“ („The Gas Market in Change: What Does Mean the Loss of Russian Energy Power for Europe?“) , Geopolitical Information Service (GIS), Berlin.

22 May 2013: PPT-Präsentation “Cyber Risks to Critical Energy Infrastructures” auf der NATO-Partnership Conference: “Emerging Security Challenges: Enhancing Energy Security in the XXI Century”, organized by NATO and the Azerbaijan Diplomatic Academy/Azerbaijan Ministry of Foreign Affairs, Baku/Azerbaijan, 22-23 May 2013.

15 May 2013: Introductory-Presentation „Energiepolitik: Korruption, Transparenz, und Rechtsstaatlichkeit als Bedingungsfaktoren für nachhaltige Auslandsinvestitionen“ („Energy Policies: Corruption, Transparency and the Rule of Law as Determining Factors for Sustainable Foreign Investments“) at the Panel Discussion: „EU-Erweiterung und Rechtsstaatlich-

keit. Hat das europäische Modell noch eine Zukunft?“ („EU-Extension and the Rule of Law. Does the European Model Have a Future?“), Institut Thomas More, Berlin.

14 May 2013: PPT-Präsentation „Ein kritischer Blick auf Ökobilanzen – Allheilmittel oder Etikettenschwindel?“ („A Critical Focus on ECO-Balances/Green House Emissions of Renewable Energy Sources“), Impulsreferat auf dem Zukunftskongress „evolution: m Mobilität: E-Mobilität – Vom Technikwechsel zum Mentalitätswechsel“, Bregenz.

3 May 2013: Panel Discussant for „The Danger of Blackouts – Electricity as the Achilles Heel of Energy Infrastructure“ at the EUCERS/ACATECH/KAS Energy Talks, King’s College, London.

25 April 2013: PPT-Presentation „Issues, Objectives, Risks and Benefits of EU Cooperation with Southern Neighbours in the Energy Sector“, EuroMed Information and Training Seminar for Diplomats: „Euro Mediterranean Relations in Transition for Diplomatic Partnerships“, European Institute for Public Administration (EIPA)/European External Action Service (EEAS), Paris, 25 April 2013.

18 April 2013: Panel Discussant on „Energy Security: Game of States“ at the 6th Kyiv Security Forum „Security in Insecure World“, organized by Open Ukraine (Arseniy Yatsenyuk Foundation) in Partnership with Chatham House, The Black Sea Trust for Regional Cooperation/German Marshall Fund and NATO, Kiev, 18-19 April 2013.

22 March 2013: Moderator and Introduction of the „GIS-Expert in Dialogue“-Workshop: „Cyber-Angriffe und IT-Spionage – Wie können sich Unternehmen und kritische Infrastrukturen schützen?“ („Cyberattacks and IT-Espionage – How Companies and Critical Infrastructure Can Protect Themselves?“), Geopolitical Information Service (GIS), Berlin.

19 March 2013: PPT-Presentation „Globale Energiesicherheit – Konflikte um Energieressourcen?“ („Global Energy Security – Conflicts about Energy Resources“), Stiftung der Deutschen Wirtschaft (SDW)-Akademie „Mensch und Energie“, Schacht III, Gelsenkirchen.

15 March 2013: Presentation „Shale Gas Revolution in the U.S.A. – Fracking Debate in Germany“, 35. Energiegespräch im Reichstag von Prof. Friedbert Pflüger/Janosz Reiter, Berlin.

14 March 2013: Moderator and Introduction „GIS-Expert in Dialogue“-Workshop: „Rare Earths – How Can China’s Influence be Reduced?“, Geopolitical Information Service (GIS), Berlin.

12 March 2013: Presentation „Europe’s Vulnerability to Energy Crises – Resilience of European Energy Infrastructures“, EUCERS/KAS/ACATECH Energy Talks, King’s College, London.

6 March 2013: PPT-Presentation „Cybersecurity bei kritischen Energieinfrastrukturen“ („Cybersecurity at Critical Energy Infrastructures“), Bundesarbeitsgruppe Energieinfrastruktur, Wirtschaftsrat der CDU Deutschland e.V., Berlin.

5 March 2013: PPT-Presentation „Europa und die deutsche Energiewende: nationaler Alleingang versus gemeinsame EU-Energiepolitik“ („Europe and the German Energiewende: Natio-

nal Way of Going Alone versus the Common EU-Energy Policy“), 4. Energie-Symposium: “Kraftwerke der Zukunft: Zwischen Finanzierbarkeit und Versorgungssicherheit”, ManagementCircle, Berlin, 04-05 March 2013.

28 February 2013: Moderator and Introduction “GIS-Expert in Dialogue”-Workshop: “The Future of European Defence”, Geopolitical Information Service (GIS), Berlin.

26 February 2013: Moderator and Introduction at the “GIS-Expert in Dialogue”-Workshop: “Fracking and the Future of Shale Gas in Germany”, Geopolitical Information Service (GIS), Berlin.

4 February 2013: PPT-Presentation “Energieversorgungssicherheit und ihre nationalen und globalen Voraussetzungen, Szenarien und Strategien“ („Energy Supply Security and its National and Global Conditions, Scenarios and Strategies“) at the 11th Bensberger Gespräche 2013: “Energiepolitik am Scheideweg – nationale und globale Dimensionen der geostrategischen Herausforderungen” („Energy Policy at the Crossroads – National and Global Dimensions of the Geostrategic Challenges“), Bundeszentrale für politische Bildung (bpb) Bensberg.

29 January 2013: PPT-Presentation/Keynote Address “Energy Outlook: The Role of Nuclear in the Future Energy Landscape. *International Nuclear Decommissioning Summit*, Munich/Germany, 28-29 January 2013.

28 January 2013: Moderator of the Session “Overcoming the Barriers to Rapid, Cost Effective and Safe Decommissioning” at the *International Nuclear Decommissioning Summit*, Munich/Germany, 28-29 January 2013.

28-29 January 2013: Panelist at the Sessions “The Future Generation Landscap – Decommissioning, New Build and Alternative Generation” and “Reflections on the Effectiveness, Safety and Cost Dynamics: Global Excellence in Decommissioning” at the *International Nuclear Decommissioning Summit*, Munich/Germany, 28-29 January 2013.

10 January 2013: Moderator and Introduction at the “GIS-Expert in Dialogue”-Workshop: “Krieg 2.0: Cyberwar – No Theory, But Reality”, Geopolitical Information Service (GIS), Brussels.

2012:

19 December 2012: PPT-Presentation “Japan – a Stumbling Giant?” (“Japan – ein gestrauchelter Riese?”), Gesellschaft für Wehr- und Sicherheitspolitik und Verband der Reservisten der Deutschen Bundeswehr e.V., Ingoldstadt.

10-14 December 2012: Presentation tour in Chile with six presentations on International, European and German Energy Policies on invitation of the Konrad-Adenauer-Foundation, Santiago/Chile.

6 December 2012: Panel Discussion „Iran, Pakistan, North Korea: Chances of a Peaceful Rapprochement and the Risks for International Security (“Iran, Pakistan, Nordkorea: Chancen friedlicher Annäherung und Gefahren für die internationale Sicherheit“), Konrad-Adenauer-Foundation and the German Air Force/Bundeswehr, Wunstorf.

30 November 2012: Panelist at the Panel Discussion “Raw Material Supply for China and Europe” and the “Hamburg Summit: China and Europe”, Hamburg, 28-30 November 2012.

28 November 2012: PPT-Presentation “The Security of Gas Supply and Gas Infrastructure of the Southern Corridor and Caspian Gas– Commercial and Geopolitical Challenges” at the 1st Annual 2012 Frankfurt Gas Forum, Frankfurt/M.

22 November 2012: PPT-Presentation „Nordkorea – Chancen friedlicher Annäherung und Gefahren für die internationale Sicherheit“ (North Korea – Chances for a Peaceful Rapprochement or Dangers for Regional and International Security”, KAS-Event in Cooperation with the Air Transport Squadron 62, Bundeswehr, Wunstorf.

20 November 2012: PPT-Presentation “Energy Security: What Exactly Does This Mean?” at the EEAS-Seminar “Energy Security”, European External Action Service (EEAS), Brussels.

19 and 21 November 2012: : 4 PPT-Presentations to “Herausforderungen der globalen, regionalen (EU) und deutschen Energiesicherheit” (“*Global, Regional (EU) and German Energy Security Challenges*”) at a Seminar of the “Leadership Development and Civic Education Centre” (“Zentrum für Innere Führung”) at the Jagdschloss Glienicke, German Defence Ministry, Potsdam.

14 November 2012: Paper Presentation “European Energy Infrastructure – Challenges and Perspectives” at the international conference “Visegrad Group and Germany – prospects of cooperation” Policy Makers Seminar, organized by Aspen Institute in Prague, International Visegrad Fund, Konrad Adenauer Stiftung together with Slovak Foreign Policy Association, Centre for Eastern Studies, Polish Institute for International Relations, Hungarian Institute of International Affairs, Prague.

5 November 2012: PPT-Presentation “Energy Security – What Are the Challenges?” NATO Roundtable on Energy Security, NATO-Headquarter, Brussels.

31 October 2012: PPT-Presentation “Global Coal Trends and the Implications for India” at the International Workshop on India’s Clean Coal Future, organized by EUCERS, the Atlantic Council and TERI, New Delhi.

25 October 2012: Media Discussion on “Perspectives of China’s Raw Material- and Foreign Trade from a View of Hamburg”, Handelskammer Hamburg.

24 October 2012: Commentator at the session “Can the BTC-Experience Replicated in the Southern Corridor” at the EUCERS-International Workshop “BTC and Beyond: 10 Baku-Tiflis-Ceyhan-Pipeline with an Outlook for the Southern Gas Corridor, EUCERS/King’s College, London.

23 October 2012: Moderator and Introduction into the Expert Discussion “Netzausbau – Hürden, Hemmnisse oder Hoffnung?” (“Net Grid Expansion: Hurdles, Impediments or Hope?”), GIS – “Experts in Dialogue”, organised by the Geopolitical Information Service (GIS) in Lichtenstein, taking place in Berlin.

16 October 2012: PPT-Presentation “*Strategic Challenges and Perspectives of Unconventional Gas in Europe*” at the GeoEn - International Research Conference 2012, National Research Centre for Geosciences (GFZ), Potsdam, 15-17 October 2012.

5 October 2012: PPT-Presentation “*Gas – The Impact of New Supplies and the Potential Impact of Unconventional Gas Supplies*” at the international conference: “Advancing EU Energy Objectives in East Central Europe: The Next 40 Years”, organised by the Atlantic Council and REKK, Budapest, Hungary, 4-5 October 2012.

4 October 2012: PPT-Presentation “*Security of Energy Supply in the Region*” at the international conference “*Energy Scenarios, Harmonization of Networks and Security of Supply in the V4 Countries*”, organized by the Hungarian Chamber of Engineers, *Danube Palace, Budapest, Hungary*.

2 October 2012: PPT-Presentation “*Energy (Supply) Security – New Challenges, ‘Unprecedented Uncertainties’ and Concepts*” at the OGP Energy Security Workshop 2012, the International Association of Oil & Gas Producers – OGP Europe, Brussels, 2 October 2012.

28 September 2012: PPT- Presentation “*Energy – A Special Challenge for National Critical Infrastructure Protection*”, Energy Seminar: „National Critical Energy Infrastructure Protection in Europe “, *European Academy for Taxes, Economics & Law*, Berlin, 27-28 September 2012.

28 September 2012: PPT- Presentation “Coping with Cyber Threats to Energy Control Centres”, Energy Seminar: „National Critical Energy Infrastructure Protection in Europe “, *European Academy for Taxes, Economics & Law* , Berlin, 27-28 September 2012.

27 September 2012: PPT- Presentation „Perspektiven von unkonventionellem Gas/Schiefergas in Europa“ („Perspectives of Unconventional Gas/Shale Gas in Europe“), Expertenanhörung (Expert Testimony), CDU/CSU-Fraction of the European Parliament, Brussels.

20 September 2012: PPT-Presentation “Mitigating Damaging Risks by Defending Against the Complexity of Increasing Cyber Attacks”, Gastech Specialist Events: „Oil and Gas Critical Infrastructure and Asset Security Forum“, Vienna, September 19-20, 2012.

10 September 2012: PPT-Presentation „Roadmap zur Etablierung einer umfassenden IT-Sicherheitsstrategie“ („Roadmap for Establishing a Comprehensive IT-Security Strategy“) auf dem Energiefachseminar: „IT-Sicherheitslücken im Netz schließen. Neue Gefahren durch Smart Grid und Smart Metering abwehren“, Europäische Akademie für Steuern, Wirtschaft und Recht, Berlin, 10.-11.9.2012.

22 August 2012: PPT-Presentation „Globale Energiesicherheit – Kriege um Energieressourcen?“ („Global Energy Security – Wars of Energy Resources?“) at the SDW-Seminar “Mensch und Energie” der Stiftung der Deutschen Wirtschaft (SDW), Arbeitnehmer-Zentrum, Königswinter.

20-21 August 2012: 4 PPT-Presentations to “Herausforderungen der globalen, regionalen (EU) und deutschen Energiesicherheit” (“*Global, Regional (EU) and German Energy Security Challenges*”) at a Seminar of the “Leadership Development and Civic Education Centre” (“Zentrum für Innere Führung”) at the Jagdschloss Glienicke, German Defence Ministry, Potsdam.

4 July 2012: Presentation “The Future of Clean Coal and CCS in Europe” at the EUCERS workshop “The Future of Clean Coal and Technologies and CCS in the EU and USA” in cooperation with the EU Commission Representation in the UK and the Konrad-Adenauer Foundation, at the King’s College, London.

2-3 July 2012: Two PPT-Presentations on “Megatrends in Global Energy Policies” and “Global Gas Market Developments” at the “EUCERS Executive Energy Seminar 2012: ‘Changes and Challenges in International Energy Markets’” for younger managers of energy companies, EUCERS/King’s College, London July 2-6, 2012.

12 June 2012: Commentator at the EUCers Energy Talks: “The Southern Gas Corridor at the Home Stretch”, EUCERS/King’s College, London.

5-6 June 2012: Three PPT-Presentations on “*Global, Regional (EU) and German Energy Security Challenges*” at a Seminar of the “Leadership Development and Civic Education Centre” (“Zentrum für Innere Führung”) at the Jagdschloss Glienicke, German Defence Ministry, Potsdam.

4-5 June 2012: Participation as a member at the *Energy Task Force* and the *Joint Taskforce Meeting: Ukraine 2020 Policy Dialogue Supporting Ukraine’s European Integration* in Kiev, organized by the U.S.-Ukraine Foundation in Washington D.C. and the Pylyp Orlyk Institute for Democracy in Kiev.

24 May 2012: PPT-Presentation “*The Unconventional Gas Revolution and the Perspectives for Europe and Asia*” at the Asian-European-Conference: “*Transitioning From Fossil Fuels?: Europe and Asian Perspectives*”, The Energy Studies Institute at the National University of Singapore (NUS), Singapore.

10 May 2012: Presentation “*Deutschland Energiewende und –politik am Scheideweg: Nationale versus europäische und globale Dimensionen*” (“*Germany’s Energy Turnaround and Policies: Nationale versus European and Global Dimensions*”) auf der Zweiten Jahreskonferenz “*Der verunsicherte Staat. Die Folgen des Wandels von Sicherheitskultur*” (“*The Insecure State. Impacts of the Change of Security Culture*”) des BMBF-geförderten Forschungsprojektes “*Sicherheitskultur im Wandel*” (“*Security Culture in Change*”), Johann Wolfgang-Goethe-Universität Frankfurt/M., 10.-11.5.2012.

4 May 2012: PPT-Presentation „*Geostrategische Beziehungen China-USA-Europa bei Rohstoffsicherheit*“ („*Geostrategic Relations between China-USA-Europa for Raw Material Security*“). Rohstoffenquete - Veranstaltungsreihe “*Wirtschaft im Wandel*” (Raw Material Enquete Commission), Bundesministerium für Wirtschaft, Familie und Jugend (Federal Ministry for Economy, Family and Youth), Vienna.

24 April 2012: PPT-Presentation “*Global Energy Security: Current Trends and Future Directions – Role and Importance of Asia*” at the youth seminar organized by the Youthinkgreen – Jugend Denkt Umwelt, Wolfsburg/Germany.

16 April 2012: PPT-Presentation “*Capacity in Europe – Does Supply Meet Demand?*” at the *CEE Unconventional & Shale Gas Development Forum - What Next? Looking East to Prepare for the Next Steps and Opportunities*, marcusevans, Hilton Budapest WestEnd, Budapest, Hungary, 16-18 April 2012 (see also the reports covering this presentation: “*European Energy: Going for the Equilateral Triangle*”, Natural Gas Europe, 3 May 2012 (<http://www.naturalgaseurope.com/european-energy-triangle>) and “*Facing up to the Challenges: Unconventional Gas Industry in Europe*”, Natural Gas Europe, 18 April 2012 (<http://www.naturalgaseurope.com/unconventional-gas-europe-progress>)).

4 April 2012: PPT-Presentation “*The Modernization of the PLAN and its Regional Security Implications*” at the International Seminar: „*Maritime Security – Challenges and Opportunities in 2012*” ; Co-Organized by: SLOC Study Group – Korea; Konrad-Adenauer-Stiftung e.V. (KAS), Korea; Center for Maritime Studies, East West Center, Yonsei University; Yonsei-SERI EU Center, Yonsei University, Hotel The Shilla Seoul.

3 April 2012: PPT-Presentation “*Iranian Nuclear Issues and the Role of the EU to Solve Them*” at the 2nd RINSA-KAS International Conference: “*The Changes of the Global Security Environment–European and Asian Perspectives*“, Hotel The Shilla Seoul.

30 March 2012: PPT-Presentation „*Cyber-Bedrohungen abwehren*“ („*Countering Cyber Threats*“), Energy-Seminar: „*Energieinfrastruktur schützen. Krisenmanagement - IT-*

Gefahrenabwehr – Netzschutz“ („Protecting Energy Infrastructure, Crisis Management – IT-Cyber Protection“), Europäische Akademie für Steuern, Wirtschaft und Recht, Berlin, 29.-30. March 2012.

27-28 March 2012: PPT-Presentation: *“Prospects and Choices for Europe’s Energy Security” at UGOS – Unconventional Gas & Oil Summit: Policy, Economics, Technologies for Shale Gas, CBM, Shale Oil, Tight Gas & Oil Sands. Engaging Business and Stakeholders: The Next Frontier in Unconventionals*, Warsaw, Sheraton Hotel, 27-28 March 2012.

21-22 February: Three PPT-Presentations on *“Global, Regional (EU) and German Energy Security Challenges”* at a Seminar of the “Leadership Development and Civic Education Centre” (“Zentrum für Innere Führung”), German Defence Ministry, Berlin.

7 February 2012: PPT-Presentation *“The New Unconventional Frontiers in Europe and the MENA Region – Is the Time Right for Large-Scale Unconventional Gas Development?”*, Gastech Specialist Conference: EMEA Unconventional Gas Exploration and Production Forum, Ciragan Palace Kempinski Hotel, Istanbul/Turkey, 6-8 February 2012.

24 January 2012: PPT-Presentation *“Energy Policy Cooperation & External Energy Relations”*, EP-ITRE Expert Hearing, European Parliament, Brussels, 24 January 2012.

2011:

19 December 2011: PPT-Presentation *“Cyber Security and Energy Infrastructure”* at the EU expert workshop *“Thematic Network on Critical Energy Infrastructure Protection (TNCEIP)”* of the European Commission, Fourth Meeting, Barcelona.

12 December 2011: PPT-Presentation *“The Future of Coal, Clean Coal Technologies and CCS”*. Presentation of the Summary-Conclusions and Recommendations of the EUCERS-CEEP Study, Berlin.

9 December 2011: Panel Discussion *“Ukraine and Europe’s Energy Future”* at the international conference *“Open Ukraine in the Transatlantic Space. Recommendations for Action”*, John Hopkins SAIS Center for Transatlantic Relations, Economic Forum (Warsaw/Poland), Washington D.C.

8 December 2011: Panel-Discussion *“Natural Gas and Transatlantic Energy Security”* at the book launch event: *“Transatlantic Energy Futures. Strategic Perspectives on Energy Security, Climate Change and New Technologies in Europe and the United States”*, edited by David Koranyi, John Hopkins SAIS Center for Transatlantic Relations, Washington D.C.

30 November 2011: PPT-Presentation *“Safety and Security Risks of the Future Electricity Supply: Traditional and New Geopolitical Dimensions”* at the International Workshop: *“Geopolitics of Renewable Energy”*, Institute for Advanced Study/Hanse-Wissenschaftskolleg, Delmenhorst/Bremen, 30 November-2 December 2011.

28 November 2011: Moderator at the Panel Discussion *“Shale Gas: Between Business and Politics?”*, at the 6th SOPOT-Energy Forum 2011, Sopot/Poland, 28-30 November 2011.

18 November 2011: PPT-Presentation *„Perspektiven für unkonventionelles Gas in Europa: Geoökonomische und geopolitische Auswirkungen“* (*“Perspectives for Unconventional Gas in Europe: Geo-Economic and Geo-Political Impacts”*), 18. Symposium, E.ON im Dialog mit Energie-Wirtschaftswissenschaftlern, Berlin, 17. – 18.11.2011.

14 November 2011: PPT-Presentation „*Die Rolle von Pipelines bei der zukünftigen Energie- und Rohstoff-sicherung und –versorgung*“ („*The Role of Pipelines for the Future Energy and Raw Material Supply Security*“, Pipeline Symposium 2011: „Pipelines – weit mehr als Transportleitungen“ („Pipelines – Far More Than Transport Pipes“), TÜV-Nord Akademie, Hamburg, 14. -15. November 2011.

10 November 2011: PPT-Presentation „*Energy Infrastructure: the Caspian Puzzle and its Implications for the EU*“ at the EPP Group Public Hearing: „*Building a European Energy Diplomacy: External Dimension of Energy Security for Europe*“, European Parliament, Brussels, 10 November 2011.

9 November 2011: PPT-Presentation „*Energy Security in Japan at the Crossroads*“ at the 2011 NTNU Japan Seminar: „Renewables and Energy Security in Japan, East Asia and Norway“, Trondheim, 9-10 November 2011.

27 October 2011: Presentation „*Natural Gas – From Achilles Heel to Stabiliser*“ at the joint panel-discussion of EUCERS and the Centre for European Reform (CER), „The Future of EU Energy Policy“, King’s College, London.

5 October 2011: PPT-Presentation „*Chinas Energiesicherheit und Rohstoffpolitik*“ („China’s Energy Security and Raw Material Policy“), Konrad-Adenauer-Foundation (KAS), Hamburg.

29 September 2011: PPT-Presentation: „*Coping with Cyber Threats to Energy Control Centres*“ at the European Energy Seminar: „National Critical Energy Infrastructure Protection in Europe“, European Academy for Taxes, Economics & Law, Berlin, 29-30 September 2011.

29 September 2011: PPT- Presentation: „*Energy – A Special Challenge for National Critical Infrastructure Protection*“ at the European Energy Seminar: „National Critical Energy Infrastructure Protection in Europe“, European Academy for Taxes, Economics & Law, Berlin, 29-30 September 2011.

27 September 2011: PPT- Presentation: „*Unconventional Gas Development: Understanding the Wider Implications for European Energy Security*“, at the European Unconventional Gas Summit Krakow 2011: Overcome Challenges. Unlock Potential, Krakow/Poland, 27-29 September 2011.

20 September 2011: PPT- Presentation: „Impact of Shale Gas on Energy Security and Climate Change“, European Parliament: Expert Hearing, Brussels.

19 September 2011: PPT- Presentation: „Herausforderungen der globalen Energiesicherheit und die Perspektiven von unkonventionellem Gas in Europa“ („Challenges of Global Energy Security and the Perspectives of Unconventional Gas in Europe“) at the energy company (Stadtwerke) *Enercity*, Hannover.

8 September 2011: Panelist of the Session: „Wohin geht die Reise in Nordafrika und der arabischen Welt? Wie sicher ist die Versorgung mit Erdgas und Erdöl für Europa?“ („Where Is North Africa and the Arab World Heading For? How Secure Is Europe’s Gas and Oil Supply?“), EWI-F.A.Z.-Energy Conference, Cologne.

1 September 2011: PPT-Presentation „The Global Outlook for Coal and CCS– Focus on Central Eastern Europe“. Presentation of the EUCERS Study at the Expert Workshop: „*The Future of Coal – CCS (Carbon Capture and Storage) and Clean Coal Technologies*“, EUCERS/King’s College in Cooperation with the Atlantic Council, London.

16 June 2011: Panelist at the 5th EUCERS-Workshop: “Energy Security in the Black Sea Region”, EUCERS/King’s College, London.

10 June 2011: PPT-Panelist at the session “Global Energy Markets and the Future of Unconventional Gas” at the “Global Wroclaw Forum 2011”, organized by the Global Wroclaw Forum and the U.S. Atlantic Council, supported by the Polish Foreign Ministry and others, June 9-11, 2011, Wroclaw/Poland.

27 May 2011: PPT-Presentation “*Strategic Energy Challenges in the European Union*” at the ERP-Workshop: “Energy Policy and Energy Security – Transatlantic Perspectives“ *Heidelberg Center for American Studies (HCA), Heidelberg.*

19 May 2011: PPT-Presentation “Global Player: China-USA-Russland” (“Global Player: China-USA-Russia”) at the Seminar of Security Policies for Military Attachés 2011 of the German Federal Academy for Security Policy, Berlin.

17 May 2011: PPT-Presentation “Globale Energieversorgung – Sicherheitspolitische Aspekte” (“Global Energy Supply – Aspects of Security Policies”) at the seminar “Gehen uns Sprit und Strom aus? – Die Zukunft unserer Energieversorgung vor dem Hintergrund technischer Möglichkeiten und sicherheitspolitischer Herausforderungen” (“The Future of Our Energy Supply in the Light of Technical Possibilities and Security Policy Background”, organized by the Konrad-Adenauer Foundation, the German Atlantic Society e.V. and the German Association of the Mid-Sized Economy (BVMV) in Rostock.

11 May 2011: PPT-Presentation on “Energie- und Ressourcensicherheit: Globale Trends and Auswirkungen auf die EU und Deutschland” (“Energy and Resource Security: Global Trends and Implications for the EU and Germany”) at the seminar “Sicherheit in einer multipolaren Welt – Die Notwendigkeit zur Änderung von Sicherheitspolitik, Strategie und militärischer Ausrüstung” („Security in a Multipolar World - The Need to Change of Security Policies, Strategies and Military Equipment“), Carl-Cranz-Gesellschaft e.V., Weßling-Oberpfaffenhofen.

04-08 April 2011: Five PPT-Presentations on “Global Energy Security Challenges and the Implications for the EU’s and Germany’s Energy Policies” in Toronto (Munk Centre for International Studies/University of Toronto), Ottawa (EU-Delegation and Residence of the German Ambassador), Montreal (Institut de Recherche en Électricité du Québec/IREQ of HydroQuebec), and Calgary (School of Public Policy/University of Calgary) on the invitation of the German Embassy/German Foreign Ministry .

31 March 2011: Moderator at the Expert Session „Sichere Rohstoffversorgung im instabilen Umfeld – Vom Kaspischen Meer bis zur Straße von Hormuz“ („Secure Supply of Energy Resources and Raw Materials in an Unstable Environment – From the Caspian Sea to the Strait of Hormuz” at the Berliner Colloquium 2011: „Der Vordere Orient im Umbruch – Herausforderungen und Handlungsoptionen“ („The Near Middle East – Challenges and Recommendations to Act”, Federal Academy for Security Policy in Cooperation with the Clausewitz-Society e.V., Berlin, 29 – 31 March 2011.

23 March 2011: PPT-Presentation “*Strategic Perspectives of Economic and Political Risks Factors and Pre-Conditions of the National Strategy and Future Defence Policies of PR China*”, Delegation for Strategic Affairs/French Defence Ministry, Joint Study Group on the “*The Increasing Power of China and the Implications for European Security*” together with the German Defence Ministry.

15 March 2011: PPT-Presentation “ *The Geopolitics of Shale Gas: Is Shale Gas a “Game Changer”?* International Expert Workshop: “*Shale Gas – Revolution in Europe?*“, EUCERS, King’s College, London.

3 March 2011: Interview “Events in Arab World Confirm EU's Efforts for Greater Diversification of Energy Deliveries”, TREND (Azerbaijani News Agency).

3 March 2011: PPT-Presentation „Chinas Energiemarktentwicklungen bis 2035 – Möglichkeiten und Perspektiven für die deutsche Energiewirtschaft“ („China's Energy Market Developments till 2035 and Perspectives for the German Energy Industry“) at the 2nd FOCUS-Symposium: “Die Zukunft der Kraftwerke. Neue Rollenverteilung im Wettbewerb der Kraftwerkskapazitäten” („The Future of Power Plants. New Distribution of Roles within the Competition of Power Plant Capacities“), Berlin, 2-3 March 2011.

24 February 2011: Panel Discussant on “*European Energy Security: Mutual Dependence – Projects, Problems and Opportunities*” at the “*Economic Forum: 5th Europe-Ukraine Forum – Ukraine. 20 Years of Independence in European Context*”; organized by the Foundation United World (Ukraine) und der Foundation Institute for Eastern Studies (Warschau/Polen), Ukrainian House (Ukraininskij Dim), Kyiv/Ukraine, 23-25 February 2011.

16 February 2011: PPT-Presentation “*The Rising Maritime Capabilities of the PLA – A German Perspective*” at the International Workshop: “*Maritime Security – Challenges and Opportunities*“, SLOC Study Group Korea/Institute of East & West Studies/Yonsei University, and KAS, Seoul.

15 February 2011: PPT Presentation “*Energy Security Perspectives of the Evolving Common EU-Energy Policies*” at the International Conference: “*European and Asian Perspectives on International Security Policies*“, Konrad-Adenauer-Foundation (KAS)-Research Institute for National Security Affairs (RINSA) at the Korean National Defense University (KNDU), Seoul.

10 February 2011: PPT-Presentation: “*The Geopolitics of Pipelines*” at the International Workshop: “*Energy Security for Europe: The EU-Agenda until 2050*“, EUCERS, King's College, London.

10 February 2011: “‘Russland Gerät unter Druck’. Im Pipelinestreit liegt Nabucco vorn“. Interview on: <http://www.energlobe.de/?type=100#655:8:0:0:0>.

7 February 2011: PPT-Presentation “Energy Challenges in the 21st Century” at the 19th OSCE Economic and Environmental Forum, First Preparatory Meeting, Vienna, 7-8 February 2011.

2 February 2011: PPT-Presentation „Energy – The New Currency of International Policies“ („Energie – die neue Währung der internationalen Politik“), E.ON Kernkraft GmbH, Brokdorfer Redezeit, Informationszentrum Osterende.

2010:

17 December 2010: Panel-Discussion to „Energy Dilemmas“ at the international conference “Ukraine 2010 +: Relations with Poland and Germany - Continuation or Change?”, organized by PAUCI, Konrad-Adenauer-Foundation, Heinrich Boell-Foundation, Baltic Business-Forum and others, Warsaw, 16-17 December 2010.

16 December: Video-Interview: „Ära der Unsicherheit“ (Era of Uncertainty“), in German to Cyberattacks on Energy Control Centers, on: <http://www.energlobe.de/?type=100#573:8:0:0:0>.

8 December 2010: PPT-Presentation „Global Risiken der Energie- und Ressourcenabhängigkeit sowie kritischen Energieinfrastruktur: Auswirkungen auf die Energiepolitik Deutschlands und der EU“ („Global Risks of Energy and Resource Dependency as well as of Critical Energy Infrastructure) on the Meeting of the Members of the Supervisory Board of TÜV-Nord e.V. und TÜV Hannover/Sachsen-Anhalt e.V. in Berlin.

7 December 2010: Video-Interview „Ära der Unsicherheiten“ on „energlobe.de“ (<http://www.energlobe.de/?type=100#573:8:0:0>) to New Security Challenges on Critical Energy Infrastructure Protection (CEIP).

7 December 2010: PPT-Presentation „Wettbewerbsvorteil Krisenvorsorge. Sicherheitsrisiken und Verwundbarkeiten kritischer Energie-Infrastruktur“ („Advantage of Competition – Crisis Provision: Security Risks and Vulnerabilities of Critical Energy Infrastructure“) on the FOCUS-Seminar: „Energie-Infrastruktur. Stromnetze im zukünftigen europäischen Energiesystem“ (Energy Infrastructure. Electricity Grids in the Future European Energy System) in Berlin.

2 December 2010: PPT-Presentation „Energy and Central Asia – Focusing on the Internal and External Energy Policy“, the 4th Japan Institute for International Affairs (JIIA)-Konrad Adenauer Foundation (KAS) Joint Seminar, Tokyo.

25 November 2010: Panel-Discussion and Discussant "Peak Oil. Knapp und teuer - Geht uns der Sprit aus? Sind wir erpressbar? ("Peak Oil. Getting Rare and Expensive – How long do we have Oil Available? Are We Blackmailed?"), Energy and Climate Protection Foundation, EnBW, Mercedes-Benz Museum, Stuttgart.

11 November 2010: Presentation „Energy Security Cooperation and Regional Development in the Black Sea Area: Widening the Courses of Action in the Wider Black Sea Region“ at the conference: „Redefining Cooperation in the Black sea Region“. A Conference on Security, International Order and Regional Challenges – Black Sea Young Reformers Fellowship“, organized by the Robert Bosch Foundation, the German Marshall Fund and the Center for Applied Policy Research (CAP, Munich), Berlin.

11 November 2010: Presentation „Strategische Perspektiven des geopolitischen und geoökonomischen Aufstiegs China bis 2030 und ihre internen sowie externen Risiken“ („Strategic Perspectives of the Geopolitical and Geoeconomic Rise of China till 2030 and the Internal and External Risks“) at the 80th Meeting of the U.S.A. Working Group of the Atlantik-Brücke: „Dynamik der USA-China-Beziehungen in ihren Auswirkungen auf Europa und Deutschland“ („Dynamics of the USA-China Relations and its Impacts on Europe and Germany“), Berlin.

8 November 2010: PPT-Presentation „Nabucco and the Southern Corridor“ at the Workshop: „Turkey – an Energy Hub for Europe“, organized by EUCERS in Cooperation with the Caucasus Policy Institute“, London.

5 November 2010: Presentation „Geopolitische Ansätze der NATO, OSZE, der EU und der Bundesregierung zur Sicherung der Energieversorgung“ („Geopolitical Approaches of NATO, OSCE, EU and the German Government für Energy Supply Security“ at the 16. Symposium of the E.ON Ruhrgas AG „E.ON in Dialogue with Energy Researchers, Berlin, 4-5 November 2010.

28 October 2010: Presentation „Klimawandel und Energiesicherheit“ (Climate Change and Energy Security“) at the conference „Aktuelle Herausforderungen für die Euro-Atlantische Gemeinschaft“ („Present Challenges for the Euro-Atlantic Community“) of the Institute for Political Sciences of the Friedrich-Alexander-University Erlangen-Nürnberg.

26 October 2010: PPT-Presentation “China’s Rise and the Implications for Maritime Security” at the United Service Institution of India (USI), New Delhi.

25 October 2010: PPT-Presentation “Globalization and Sovereign Control over Energy “ at the 5th TERI-KAS International Energy Dialogue 2010: „Energy Security: Managing Risks, Balancing Concerns and Developing Frameworks“, New Delhi, 24-26 October 2010.

4 October 2010: PPT-Presentation “Global Energy Challenges – Implications and Perspectives for European and German Energy Security” at the Joint Canada-German Forum: „Shaping Future Energy Supplies, Technologies and Policies“, organized by the German Embassy and the German Foreign Ministry together with the University of Edmonton and the Fraunhofer- and Helmholtzgesellschaft, Edmonton, 4-5 October 2010.

27 September 2010: PPT-Presentation “European Views of Energy Security” at the Joint Seminar for Journalists from South Eastern Europe, organized by the Bosch- and Thomson Reuters Foundation”, Berlin.

24 September 2010: PPT-Presentation “Energy Dimensions of the Black Sea Region” at the Conference on: „*EU and the Black Sea. Turning the Crisis into an Opportunity*“, organized by the demosEUROPA – Centre for European Strategy and Erste Group Bank with the support of the Polish Ministry for Foreign Affairs, Warsaw, 23-24 September 2010.

14 September 2010: PPT-Presentation “Reliability of Critical Energy Infrastructures and New Security Challenges” at the OSCE-Special Expert Meeting on Assessing the OSCE’s Future Contribution to International Energy Security Co-operation”, Vilnius, 13-14 September, 2010.

30 August 2010: PPT-Presentation “The Evolution of Germany’s and the EU’s (Common) Foreign and Security Policies: The Role of Soft Power and Multilateralism versus Hard Power” at the Joint Seminar of KAS-Japan Foundation: “Rethinking Diplomacy: New Approaches and Domestic Challenges”, Tokyo.

29 August 2010: PPT-Presentation “Kick-Off Speech. Germany’s and Japan’s Foreign Policies in Comparison” at the Joint Seminar of KAS-Japan Foundation: “Rethinking Diplomacy: New Approaches and Domestic Challenges”, Tokyo.

24 August 2010: PPT-Presentation „Globale und europäische Risiken der Energie- und Ressourcenabhängigkeit sowie kritischen Energieinfrastruktur: Auswirkungen auf die Energiepolitik Deutschlands und der EU“ („Global and European Risks of Energy and Resource Dependencies and Critical Energy Infrastructure“) at a Seminar for Higher Managers, TÜV-Nord Group, Hannover.

6 July 2010: PPT-Presentation „Schutz kritischer Energieinfrastrukturen – Neue Bedrohungsrisiken (Cyber Threats) und Anforderungen an Risk Management sowie Schutzstrategien“ (“Protection of Critical Energy Infrastructures – New Risks and Threats (Cyber Attacks) and Demands for Risk Management and Safety and Security Strategies“) on the annual Conference of the „Emergency and Crisis Management 2010“) of the EnBW-Company, Karlsruhe.

1 July 2010: PPT-Presentation “Global Challenges of Energy Security and the Implications for the EU’s Common Energy Policies”, Center for German and European Studies, The University of Tokyo.

29 June 2010: PPT-Presentation “Promotion of Renewable Energy Sources in Germany and the EU in the Light of Their Energy Security Concepts – Objectives, Strategies, Challenges

and Problems: Lessons to Learn for Japan?" at the international conference „Renewable Energy 2010“, Pacifico Yokohama/Japan, 27 June-2 July 2010.

23 June 2010; Panel-Discussion: „Die „(energie-)wirtschaftlichen Herausforderungen – lokal und global“ („Local and Global Energy-Economic Challenges“ on the XIV. German-Polish Forum: German-Polish Partnership for Europe, Warschau, 23 - 24 June 2010.

7 June 2010: PPT-Presentation “Herausforderungen globaler Energiesicherheit: Auswirkungen auf die Energieversorgungs- und Kohlepolitik der EU und Deutschlands” („Challenges of Global Energy Security: Implications for the Energy Supply- and Coal Policies of the EU and Germany“), GVST-Energy-Economic Seminar for Journalists, JSR und Partner, Marl/Germany.

4 June 2010: PPT-Presentation “European Views of Energy Security”, Conference on: „Natural Gas Markets“, Bureau of Intelligence and Research/U.S. Department of State and National Intelligence Council, Wien, 3-4 June 2010.

2 June 2010; PPT-Presentation “European Energy Security and Climate Policies – Implications for Norway, the EU and Its Enhanced Strategic Energy Partnership”, University of Stavanger (UiS).

1 June 2010: PPT-Presentation: “Strategic Challenges of Critical Energy Infrastructure Protection (CEIP): Implications for Corporate Security Strategies”, STATOIL-Headquarter, Office of the Chief Information and Security Officer (CISO), Stavanger, Norwegen.

19 May 2010: PPT-Presentation “Ressourcen- und Energieversorgungssicherheit” („Resources and Energy Supply Security“) at the Militärattaché-Seminar, Seminar for Security Policy at the Federal Academy for Security Policy (BAKS), Berlin.

5 May 2010: PPT-Presentation “The Financial and Economic Crisis: Consequences for Energy Security” at the NATO/EAPC-Seminar “Energy Security and Critical Energy Infrastructure Protection”, organized by the NATO Defence and Security Economics Directorate of the NATO-Headquarter (Brussels) and the Euro-Atlantic Partnership Council (EAPC), Tbilisi, 5-6 May May 2010.

26 April 2010: PPT-Presentation “Security of Energy Policies – Nuclear Power and Energy Security” at the Workshop “Workshop on Energy Security and the Role of Nuclear Energy in Europe”, organized by the European Commission/Joint Research Center (JRC), Institute for Energy, Petten/Netherlands, 16-27 April 2010
(<http://capture.jrc.ec.europa.eu/LDW/petten26410/Morning%2026/Umbach.pdf>).

24 March 2010: PPT-Presentation: „Risiken, Krisen und Prävention in interdependenter KRITIS: Die Schnittstellenproblematik von CEIP und ICT“ („Risks, Crisis and Prevention of Interdependent CRITIS: Points of Intersection between Critical Energy Infrastructure Protection and ICT“) at the expert seminar „Public Private Security – Schutz Kritischer Infrastrukturen“ („Public Private Security – Protection of Critical Infrastructures“), Workshop of the Vereon AG, Berlin);

16 March 2010: Paneldiscussion „Energieträger der Zukunft: Atom und Kohle versus Erneuerbare Energien“ („Energy Sources of the Future: Nuclear and Coal versus Renewables“) at the international conference „EU Quo Vadis V: Europäische Energiepolitik. Energiesicherheit, Klimaschutz, Innovation“ der Heinrich Böll-Stiftung, Berlin.

8 March 2010: PPT-Presentation "The Threat of Energy Conflicts and other Geopolitical Challenges to European Energy Security", Workshop: „*Future Conflicts over Energy and Resources*“, King's College in cooperation with the Konrad-Adenauer-Foundation, London.

4 March 2010: PPT-Presentation „Globale Perspektiven der internationalen Kohlenmärkte: Auswirkungen auf die Braunkohlenpolitik und Energieversorgungssicherheit Deutschlands“ („Global Perspectives of the International Coal Markets: Impacts on the German Lignite Cal Policies and Energy Supply Security“), 74. Sitzung des Braunkohlenausschusses des Landes Brandenburg, Cottbus.

2 March 2010: PPT-Presentation "Strategische Perspektiven der internationalen Kohlenmärkte – Auswirkungen auf die Kohlepolitik und Energiesicherheit Deutschlands und der EU", FOCUS-Symposium: "Die Zukunft der Kraftwerke" („Strategic Perspectives of the International Coal Markets: Impacts on the Coal Policies and Energy Security of Germany and the EU“), Berlin, 1.-2.3.2010.

11 February 2010: PPT-Presentation "The Role of International Structures in Protecting Non-Nuclear Critical Energy Infrastructure from Terrorist Attacks", Public-Private Expert Workshop of the OSCE Assessing the OSCE's Future Contribution to International Energy Security Cooperation, Office of the Secretary General/Action against Terrorism Unit, supported by the U.S.A., Vienna, 11-12 February 2010.

2009:

15 December 2009: PPT-Presentation "Piraterie als sicherheitspolitische Herausforderung für Deutschland, die EU und NATO" (Piracy as a Security Challenge for Germany, the EU and NATO“); KAS-Gesprächskreis: *Vernetzte Sicherheit*: "Maritime Sicherheit – Das Horn von Afrika zwischen Piraterie und Entwicklung"(KAS-Working Group: „Networked Security: „Maritime Security – East Africa between Piracy and Development“), Berlin.

14 December 2009: PPT-Presentation „Globale und europäische Risiken der Energie- und Ressourcenabhängigkeit sowie kritischen Energieinfrastruktur: Auswirkungen auf die Energiepolitik Deutschlands und der EU“ („Global and European Risks of Energy as well as Resource Dependencies and Critical Energy Infrastructure“) in Context of the Seminar „Ressourcensicherheit“ („Resource Security“) for high ranking officers of the German Bundeswehr, Führungsakademie der Bundeswehr Hamburg (Federal Academy of the German Bundeswehr Hamburg).

26 November 2009: PPT- Presentation: „Challenges, Risks and Vulnerabilities of the Global and European Gas Market“ im Rahmen der Veranstaltung „Der Gasmarkt im Spannungsfeld von wirtschaftlichen und außenpolitischen Zielkonflikten“, Arbeitskreis USA der Atlantik-Bücke, Berlin.

23 November 2009: PPT-Presentation: "Öffentliche und private Anforderungen an die Energiesicherheit als Element der Kritischen Infrastruktur (KRITIS)" („Public and Private Demands at Energy Security as an Element of Critical Infrastructure/(KRITIS“) auf der Fachtagung Public Private Security – Vernetzte Energiesicherheit“, organisiert von der Vereon AG.

18 November 2009: Presentation: "Could Europe's Energy Security Re-Shape the EU's External Policy?" im Rahmen der Konferenz "Europe's Interlocking Challenges: Energy and the Economic Crisis", a high-level European Policy Summit, organized by "Friends of Europe" with support of AREVA, European Wind Energy Association (EWEA), ExxonMobil and Ecosocial Forum, Brussels.

16 November 2009: Presentation: „Russian Energy Strategy, New Economic Realities, Risks and Prospects for EU-Russian Cooperation“ im Rahmen des „4th Energy Forums“ (high level conference with representatives of governments and international organisations), Budapest, 15.-17.11.2009.

5 November 2009: PPT-Presentation „Globale, geopolitische und ökonomische Herausforderungen für die europäische Energiesicherheit“ („Global, Geopolitical and Economic Challenges for European Energy Security“) im Rahmen der Podiumsdiskussion „Europäische Energiesicherheit – Geo-, sicherheitspolitische und ökonomische Herausforderungen“, Kooperationsveranstaltung des Bonner Forum der Deutsch-Atlantischen Gesellschaft e.V., des Deutschen Marine-Instituts e.V. und der Bundesakademie für Sicherheitspolitik, Bonn.

30 October 2009: Presentation „Problems of Maintaining, Improving or Restoring Public Standing and Reputation of Big Energy Companies“ at the Working Group „Business Security“ of the European Business Congress (EC) e.V., Prague.

20 October 2009: PPT- Presentation: „Operative Herausforderung – Will Europa handeln?“ („Operational Challenges – Will Europe Act?“) at the Expert Conference: „Maritime Convention 2009: Europa – Herausforderung für die Marine“ („Europe – Challenges for Naval Forces“), organised by Deutsches Marineinstitut (DMI) e.V. and Griephan, Berlin.

6 October 2009: PPT- Presentation: „Piraterie und neue maritime Sicherheitsherausforderungen für die deutsche und europäische Außen-, Außenwirtschaft- und Sicherheitspolitik“ („Piracy and New Maritime Security Dimensions for the German and European Foreign Policy, Foreign Trade and Security Policies“) at the Expert Workshop „Der Schutz vor Piraterie und maritimen Terrorismus zwischen nationaler, internationaler und unternehmerischer Verantwortung“, organisiert vom Forschungsinstitut für Compliance, Sicherheitswirtschaft und Unternehmenssicherheit (FORSI) der Deutschen Universität für Weiterbildung (DUW) in Kooperation mit der Bundesakademie für Sicherheitspolitik (BAKS), Berlin.

29 September 2009: „Herausforderungen der Globalen Energiesicherheit: Auswirkungen auf Deutschland und EU“ („Challenges of Global Energy Security: Impacts on Germany and EU“) at the „Seminar Internationale Höhere Führung“, Führungsakademie der Bundeswehr, Hamburg.

31 August 2009: PPT-Presentation: „Globale Energiepolitik“ („Global Energy Policies“) at the Academy 2009/V: „Energieversorgung heute und in Zukunft“ (Energy Supply Today and in the Future“), Foundation of the German Economy (SDW) in Cooperation with RWE; Bildungszentrum Wanderath, Baar (Eifel).

11 June 2009, PPT-Presentation: „Energy Security Under Changing Conditions for the Demand/Supply Balance: Implications for Critical Energy/Gas Infrastructure and Strategic Options of the European Gas Industry“ at the Working Committee „Business Security“, 12th Annual General Meeting of the European Business Congress e.V. (EBC), Porto Cervo/Sardinia, 10-11 June 2009.

8 June 2009, PPT-Presentation: „Energie – die neue Währung der internationalen Politik?“ („Energy – The New Currency of International Politics?“) on the EnergieForum Hannover, organized by the E.ON Kernkraft GmbH and E.ON Kraftwerke GmbH.

26 May 2009, PPT-Presentation: „European Perceptions on and Perspectives of China's and Asia's Energy Security: Implications for Interregional Energy Cooperation“ at the international conference „Is Europe Ready for Asia's Rise?“, Clingendael-Institute, Den Hague, 24-26 May 2009.

22 May 2009, PPT-Presentation: "European and Transatlantic Energy Security in Perspective" at the international conference „Redesigning Atlanticism?“, organised by the Hungarian New Atlantic Initiative, Budapest.

19 May 2009: „Die Perspektiven der europäisch-russischen Kooperation unter besonderer Berücksichtigung der Energiepolitik“ (“Perspectives of the European-Russian Cooperation with a Special Focus on Energy Policy“) at a bilateral German-Russian conference „Stand und Perspektiven der Kooperation EU-Russland und Deutschland-Russland“ („Present Situation and Perspectives for Cooperation between EU-Russia and Germany-Russia“) of the Hanns-Seidel-Foundation. German-Russian Dialogue Programme as a member of a HSS-delegation with two representatives of the German Bundestag and Bayerischen Landtag, 17-19 May 2009.

13 May 2009, PPT-Presentation: „Ressourcen- und Versorgungssicherheit“ („Resources and Supply Security“) at a seminar of security policy for German Military Attachées, Bundesakademie für Sicherheitspolitik (Federal Academy for Security Policy/BAKS), Berlin.

6 May 2009, PPT-Presentation: „Energiesicherheit im 21. Jahrhundert“ („Energy Security in the 21st Century) at an information seminar for higher foreign Military Attachées, Bundesakademie der Sicherheitspolitik (Federal Academy for Security Policy/BAKS), Berlin.

2 April 2009: PPT-Presentation and Panel-Discussion: „Future Transport, Pipelines and Energy Security“ at the Public Hearing on „Security of Energy Supplies“; organized by the Committee on Industry, Research and Energy of the European Parliament, European Parliament, Brussels, 2 April 2009 (<http://www.europarl.europa.eu/activities/committees/hearings.do;jsessionid=3CB1098FA347D9B83AEA65B827F808F0.node1?page=2&body=&language=DE>).

30 March 2009: Presentation: „The EU, China and the US: A Strategic Triangle?“ at the Workshop: EU-China Relations: Developments, Challenges, Prospects; organized by Department of Government, University College Cork and the Irish Institute of Chinese Studies, University College Cork, Kinsale, Cork, Ireland, 30-31 March 2009.

17 March 2009: Presentation: „Energy and Geopolitics: Implications for EU-Strategies“ (Energy and Geopolitics: Implications for EU-Strategies) for international diplomats and higher officers at the 23rd International Training Course in Security Policy (ITC), organised by the Geneva Centre for Security Policies (GCSP), Geneva.

16 March 2009: Keynote-Speech and Panelist of the Expert Discussion: „Nach dem russisch-ukrainischen Gasstreit – Handlungsdruck für die EU: Wie kann Versorgungssicherheit im europäischen und nationalen Rahmen besser gewährleistet werden?“ („After the Russian-Ukrainian Gas Conflict – Implications for the EU: How European and National Supply Security Can Be Enhanced?“), organised by the Hanns-Seidel-Foundation in cooperation with the Centre for European Security Strategies (CESS) in the House of the European Commission, Berlin.

27-28 February 2009: Several Presentations on Global Energy Security and Geopolitical Risks, Energy (Foreign) Policies of the EU/Germany, Asia (i.e. China and India) and the Global Climate Change and its Implications for Foreign and Security Policies“ on the Seminar of the Bildungswerk Dortmund of the Konrad-Adenauer-Foundation and the Reservistenverbandes of the German Bundeswehr „Energiesicherheit: Öl und Gas immer teurer?“, Bielefeld.

26 February 2009: Presentation: „Globale Ressource Kohle und internationale Rohstoff- und Energiesicherheit“ (Global Resource Coal and International Security of Raw Materials and

Energy“) on the Symposium „Innovationsforum Innovative Braunkohlen-Integration in Mitteldeutschland (IBI). Neue Strategien zur stofflichen Verwertung“, Freiberg.

25 February 2009: Presentation: „Energie – entscheidender Faktor im macht- und sicherheitspolitischen Kräftespiel“ („Energy – a Determining Factor for the Balance of Power and Security Policies“) for higher civil servants and future leaders at the Federal Academy for Security Policies (BAKS), Berlin.

10 February 2009: Presentation: „Lessons from the Recent Gas Crisis, Russia’s Capability to Provide Sufficient Gas and the Key Role of the ECT in the Forthcoming Negotiations on a New Partnership Agreement with Russia“ at the Breakfast Briefing: “EU-Russia Energy Relations and the Energy Charter Treaty (ECT), for Members of the European Parliament, Brussels/European Parliament.

15 January 2009 PPT-Presentation: „Globale Energiesicherheit und Kohle: Strategische Herausforderungen für die europäische Energie- und Außenpolitik“ (“Global Energy Security and Coal: Challenges for the European Energy and Foreign Policy“) on the annual conference of the Bundesverband Braunkohle (Federal Association for Brown Coal), Gesprächskreis „Betriebsleitung“, Berlin.

2008

16.12.2008: Presentation “The Energy and Climate Policy of the EU: Implications of the 2nd Strategic Energy Review of November 2008 and of its March Summit 2007” at the international Conference: European Energy and Climate Policies and Strategies for Poland, CIR-KAS, Warsaw, 16 December 2008 (http://www.csm.org.pl/images/rte/File/Polityka%20Klimatyczna/KONFERENCJA%20ENERGETYCZNA%20PREZENTACJE/EU-_ES_Warsaw_12-2008-short.pdf).

12.12.2008: Presentation “Japan’s Energy Insecurity and Global Energy Governance Issues in Perspective” at the Conference: “Managing the MedUSA: Comparing Approaches to Global Governance Issues in U.S.-Japan, U.S.-U.K. and U.S.-German Relations”, organized by the Japan-German Centre Berlin (JDZB), Free University Berlin and the University of Tokyo, JDZB/Berlin, 11-12 December 2008.

4.12.2008: Presentation “EU-Energy Security in Central Asia and the Caucasus Region (CACR)” at the 2nd KAS-JIIA Seminar on Comparative Views Foreign and Security Policy Issues in East Asia and Europe, Japan Institute for International Affairs (JIIA), Tokyo/Japan, 4 December 2008.

14.11.2008: Presentation “Japan’s Energy Security in Perspective” at the international conference: „Asian Creativity in Culture and Technology“, Panel 8: Energy Security in Japan and East Asia, Norwegian University of Science and Technology, Trondheim, 12-16 November 2008.

12.11.2008: Presentation “Europe’s Energy Security in Perspective” at the Centre for Eastern Studies (OSW), Warsaw, 12 November 2008.

11.11.2008: Presentation “German Perspectives on Future Transatlantic Energy Cooperation and the EU’s Energy Partnership with Russia” at the international seminar: “New Transatlantic Perspectives on Russia”, organized by the Russia Foundation, London, 11 November 2008.

4.11.2008: Presentation "Towards a solid European external energy policy" at the international Round Table conference: "Strategic Energy Review in Europe: Enhancing Energy Security and External Energy Policy", organized by the Lithuanian Foreign Ministry and its Embassy in Berlin in cooperation with CESS (Munich-Berlin) and the German Foreign Ministry, 4th November 2008, Berlin.

29.10.2008: Presentation „Europe’s Strategic Energy Interests in Central Asia and the Caucasus Region (CACR): EU and German Perspectives” at the 16th International Conference on “Central Asia and Caucasus: Confrontation in the Caucasus: Roots, Dimensions and Implications”, organised by the Institute for Political and International Studies (IPIS) in Teheran.

24.10.2008: Two Presentations: „Energieversorgung als politische Querschnittsaufgabe“ („Energy Supply as a Political Cross-cutting Task“) and „Energie – die neue Währung der internationalen Politik“ („Energy as the New Currency of International Politics“) at the international Conference „EU – Energie – Sicherheit“, organised by the Europäischen Akademie für Lebensforschung, Integration und Zivilgesellschaft (EALIZ) in Krems, in Vienna.

16.10.2008: Presentation “EU and Germany’s Policies on Climate Change” at the 2008 Annual Conference “Global Warming and Climate Change: Implications for Human Security (Vsions From Asia and Europe)”, organised by the Research Unit on International Security and Cooperation (UNISCI), Complutense University of Madrid, with the support of the Asia-Europe Foundation u.a., Madrid.

9.10.2008: Presentation “Global Energy Challenges and Implications for the Energy Partnership between EU/Germany and Norway” at the Third German-Norway Conference “Future Challenges for Internal and External Security Issues in Berlin.

8.10.2008: Podium Discussant to „Gemeinsame Energieaußenpolitik, Actionplan und Energiepaket der EU, Energiepolitik mit Drittstaaten in Europa“ („Common Energy Foreign Policy, Action Plan and Energy Package of the EU, Energy Policies towards Third States“) at the European Energy Conference „Europäische Energieversorgung im Zeichen des Klimawandels und der Energieverknappung“, organised by the European Information Centre in der Thüringer Staatskanzlei und der Europäischen Kommission in collaboration with: Commerzbank AG, Thüringer Aufbaubank, E.ON Ruhrgas, Verbundnetz GAS / SWE, am 07./08. Oktober 2008 in Erfurt.

23.9.2008: Two Presentations to “The Rise of the Suppliers (with the focus on Russia)” and “Growing Demand and Expanding Relationships: China and India” at the “U.S.-European Dialogue on Energy and Climate Change” on “New Challenges, New Approaches”, organised by the Nixon-Center, Washington D.C.

12.9.2008: Presentation “Geopolitical Challenges for Transatlantic Energy Security” at the Transatlantic Working Group on Energy Security, London, Chatham House, organised by the CSIS, Atlantic Council in the U.S. together with the Chatham House in London.

16.7.2008: Presentation “Energy Policies Towards Russia 1991-2007 – Perspectives for the EU’s „Strategic Energy Partnership” with Russia” at the Seminar: “In Search of the European Interest: EU Policies on Russia from 1991 to Present. Lessons Learned and the Way Forward”, organised by the European Commission and the French Foreign Ministry in Brussels.

11.7.2008: Presentation „EU-Energy Security at the Crossroads” at the 15th Intensive Seminars on the European Union des College of Europe in Brugge.

8.7.2008: Presentation „Institutional Solutions to Enhance Transatlantic Energy Security – A European Perspective“ of the “Working Group on Energy Security” at “A Global Dialogue between the European Union and the United States, organised by the Center for Strategic and International Studies (CSIS) in Washington D.C. and the Chatham House in London with support of the Atlantic Council of the United States in Washington D.C.;

27.6.2008: Presentation „Geopolitische Aspekte der Energiebeschaffung und die Wechselbeziehungen zum Wettbewerbsleitbild der EU“ at the 14. Symposium E.ON Ruhrgas in Dialogue with Energy-Economics Researcher, 26-28 June 2008 in Hamburg;
